www.foundationcampus.com

**Email:**  
admissions@foundationcampus.com

**Fax:**  
+44 (0)1223 346181

**Post:**

Please remember to include all relevant documentation:

- Academic transcripts (with translations if not originally in English)
- Evidence of English level
- Passport

Other documentation may be required depending on the course, Admissions will advise.

## STEP TWO

Our Central Admissions team will review your application.

- We will send you an offer letter which will list any outstanding conditions. We will remove any conditions that have already been met. If we think the course is not right for you, we will suggest an alternative.
- If we have any queries about your application, our Central Admissions team will contact you for further information.

## STEP THREE

To accept your place on the course you will need to meet all the remaining conditions, including payment of the deposit/registration fee or proof of government sponsorship. Only once all conditions have been met, can your place be confirmed, although once the deposit is paid we will hold a place for you.

- Please note that if you require a visa to study with us, you may need to provide additional evidence to comply with the visa regulations in the country of study. These are the requirements of the government and not of FoundationCampus. Your assistance in meeting these requirements is much appreciated.

## STEP FOUR

Once you have paid your deposit and met all the conditions of offer, we will confirm your place and send you a CAS (Confirmation of Acceptance to Study) or a Confirmation of Enrolment (CoE) if you do not need a CAS. If you need a visa, you will need to use your CAS/CoE to support your visa application. Please note a CAS can only be used 3 months before the start of the course.

- We will also send you pre-arrival information, including how to book accommodation should you require it.
- The accommodation application form is included in the pre-arrival information. You should complete the form, selecting your preferred option, and return it to us by email to liveinlondon@southbank@foundationcampus.com

## STEP FIVE

You will then need to apply for a visa if you require one to study in the UK. It is your responsibility to obtain a visa before you travel to join the course. If you do not have a valid visa, you will not be able to join the course so please make sure you apply as soon as possible.

- You should arrive on the weekend before the start of term; please check your CAS statement or Confirmation of Enrolment for further details.
- London Heathrow is the closest international airport to LSBU FoundationCampus. You can transfer to your accommodation by Tube, train, coach or taxi. Public transport is the cheapest option. Read the pre-arrival information we will send you for more details.

## STEP SIX

You will need to pay at least the first term's tuition fees before you begin your programme of study at FoundationCampus.
