Hertfordshire, United Kingdom

INTERNATIONAL STUDENT GUIDE

## Why study at HIC?

- The University of Hertfordshire is ranked in the top 100 universities in the world under 50-years-old.\*
- HIC is located in the historic town of Hatfield, which is just a 20 minute train journey from Central London.
- The University of Hertfordshire offers some of the best UK university sports facilities and a world-class 1,500 capacity entertainment venue.
- HIC's pathway students receive outstanding academic support, with small class sizes and additional tutorials.
- HIC is the longest established on-campus pathway college in the UK.

\* Times University World Rankings 2013.

# YOUR PATHWAY TO SUCCESS

HIC is your pathway to a degree at the University of Hertfordshire, and provides an excellent opportunity to enter UK higher education. We offer a learning environment that gives you a multicultural experience while helping you to become familiar with the particular learning and study methods at UK universities. The flexibility of entry levels and start dates means that you can choose to start your studies at a time that is convenient for you.

## Message from the Vice-Chancellor of University of Hertfordshire

The University of Hertfordshire has a long history of providing a wide range of higher education opportunities to students from all over the world. We are proud of our commitment to excellence in teaching, learning and research; and take very seriously our charter to undertake research that is responsive to regional, national and international needs and makes a relevant and respected contribution

to the development of sustainable societies. I wish you every success as you embark on your university-level studies and I look forward to awarding you with your University of Hertfordshire degree at your graduation ceremony.

**Professor Quintin McKellar**  
Vice-Chancellor  
University of Hertfordshire

## Message from the College Director of HIC

On behalf of everyone at the College I would like to thank you for your interest in HIC and the University of Hertfordshire. The transition to studying at a UK university can be demanding; however, with the experience of the team at HIC we will ensure your progression towards achieving your educational aims in Hertfordshire is efficient and harmonious. As the oldest pathway College in the UK, HIC has many years of understanding the needs of international students, shown in our small classes with commendable teachers, enthusiastic student support team and dedicated academic support staff.

From the moment you apply you can be assured of the highest levels of service and attention from our team here at HIC. When you arrive at the college you can expect high quality tuition (HIC has been awarded the highest rating possible by the UK Quality Assurance Agency) and a wide range of extra-curricular, social and sporting activities. I look forward to welcoming you to the college in the near future.

**Bob Baddeley**  
College Director and Principal  
HIC

# University of Hertfordshire: a leader in world education

The University of Hertfordshire is at the vanguard of a new type of emerging university – those that are business like and business facing.

## Our Vision

We will shape the next generation of business-facing universities.

We will continue to be an exemplar in the sector and play a leading role in addressing the economic and social challenges facing the UK in an increasingly competitive global market.

Innovation, creativity and an enterprising mindset will be the defining characteristics of our university. As well as providing flexible and transformational learning, we are committed to adding value to our partners and delivering positive and productive engagements with business, industry and the professions.

The University continues to play a central role in the local and regional economy, contributing positively to its social and economic development. Importantly, we are fully committed to further enhance our established international profile and global reputation.

## Our Values

The following core values inform and sustain all of our activities.

We are:

- student-centred
- innovative, creative and enterprising
- committed to supporting and developing our people
- focused on excellence and its celebration
- dedicated to enjoyment in learning and work
- a place of integrity where the individual is respected.

## We are ambitious and entrepreneurial

The University of Hertfordshire is the UK's leading business-facing university and an exemplar in the education sector. It is innovative, enterprising and challenges individuals and organisations to excel.

The University of Hertfordshire is one of the region's largest employers with 2,700 staff and a turnover of more than £235 million. The student community totals in excess of 27,000 students including more than 2,500

international students from over 85 different countries, the University has a global network of more than 165,000 alumni.

## Our Business-Facing Vision

As the leading business-facing university in the UK, the University of Hertfordshire is focused on developing new and creative approaches to learning, teaching and research, with a commitment to adding value to employers, enterprise and supporting regional, national and international economies.

The premise of a business-facing university is that universities and business work on an integrated and collaborative basis to enable the UK to retain its global competitiveness in the 21st century.

## Input from employers

In practice this means that every course at the university is developed with input from employers, while research is designed and conducted with the aim of solving business problems and generating new and innovative applications as well as existing knowledge.

The University encourages a constant interchange between businesses, academics and students. Many University staff members

spend a proportion of their time working in industry, running their own businesses, keeping their knowledge up to date and helping to develop students' business skills.

## Students with high employability

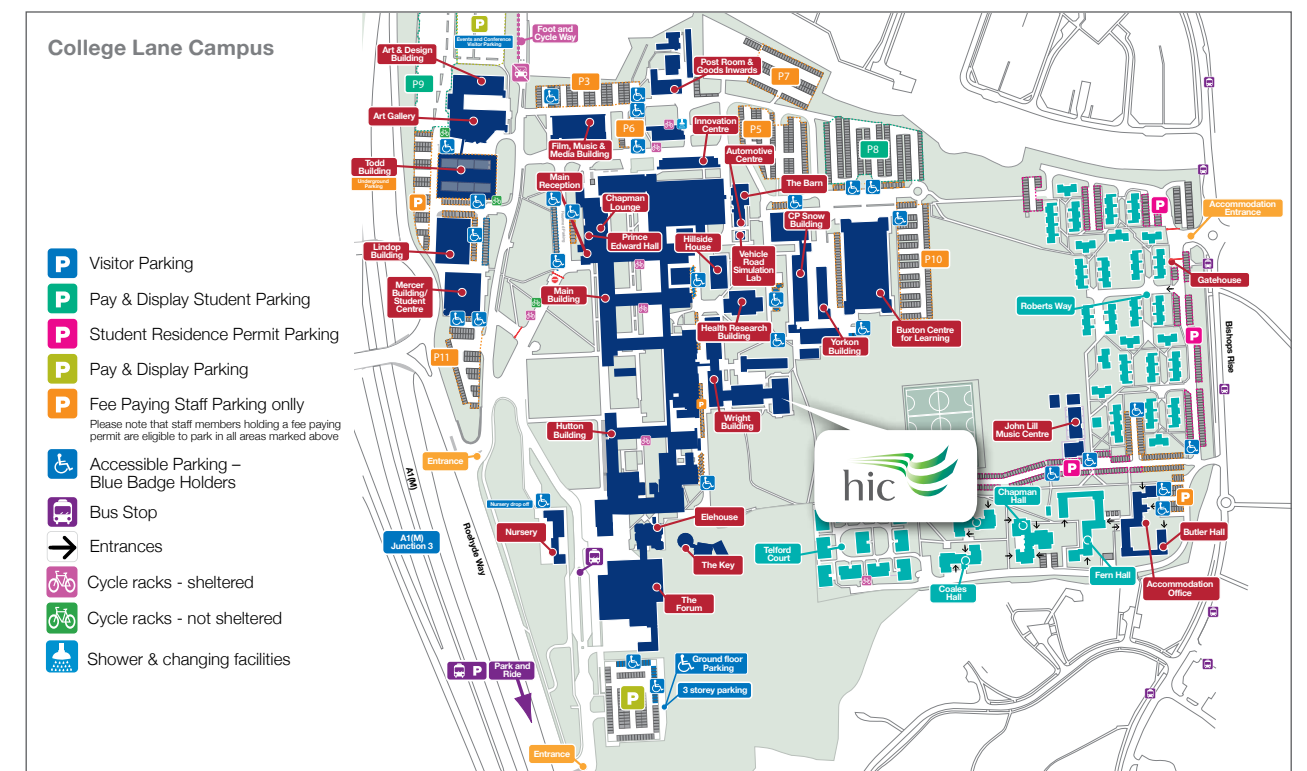

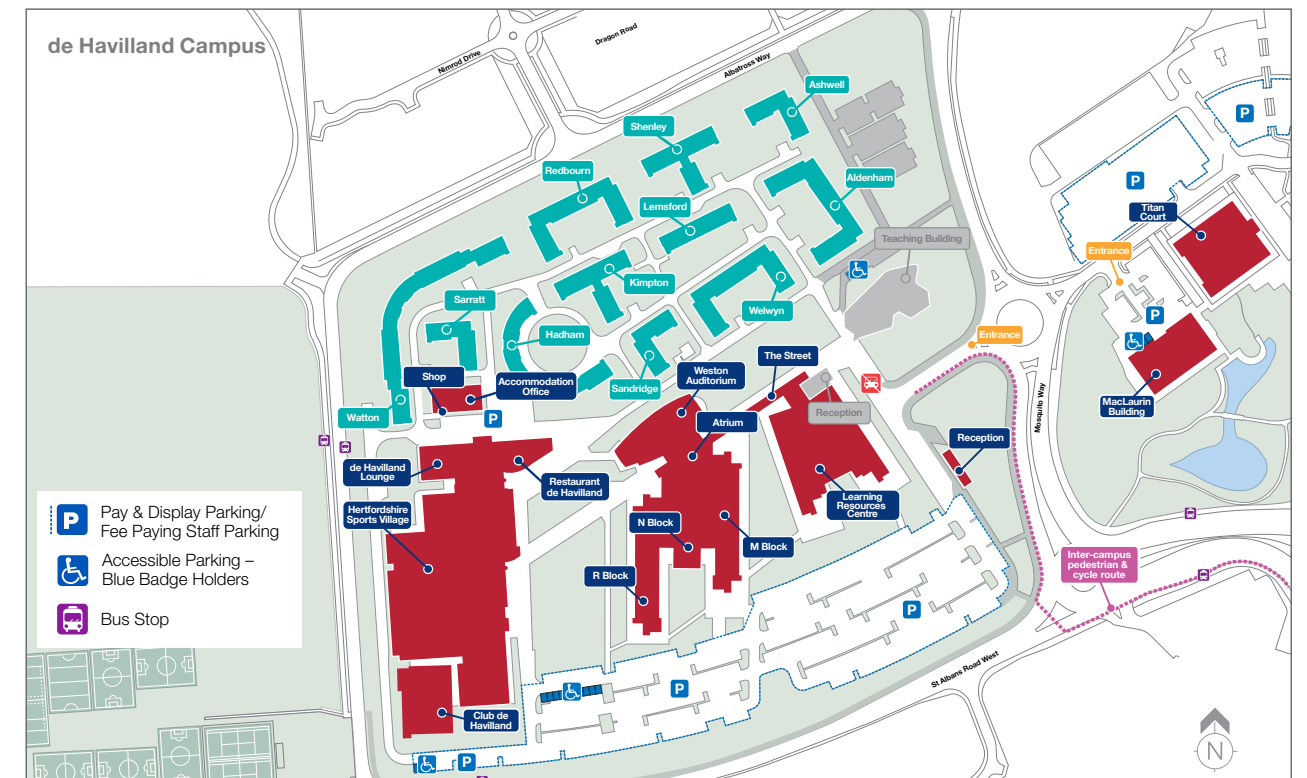

Producing highly employable graduates is our priority at the University of Hertfordshire. We aim to be the university of choice for employers, with graduates who are in demand for their knowledge, skills and competence.

## Preparing students for work

As well as offering courses that have been designed with input from employers, we prepare our students for the world of work as part of their degree studies.

## University of Hertfordshire campus maps

## Why choose HIC at the University of Hertfordshire?

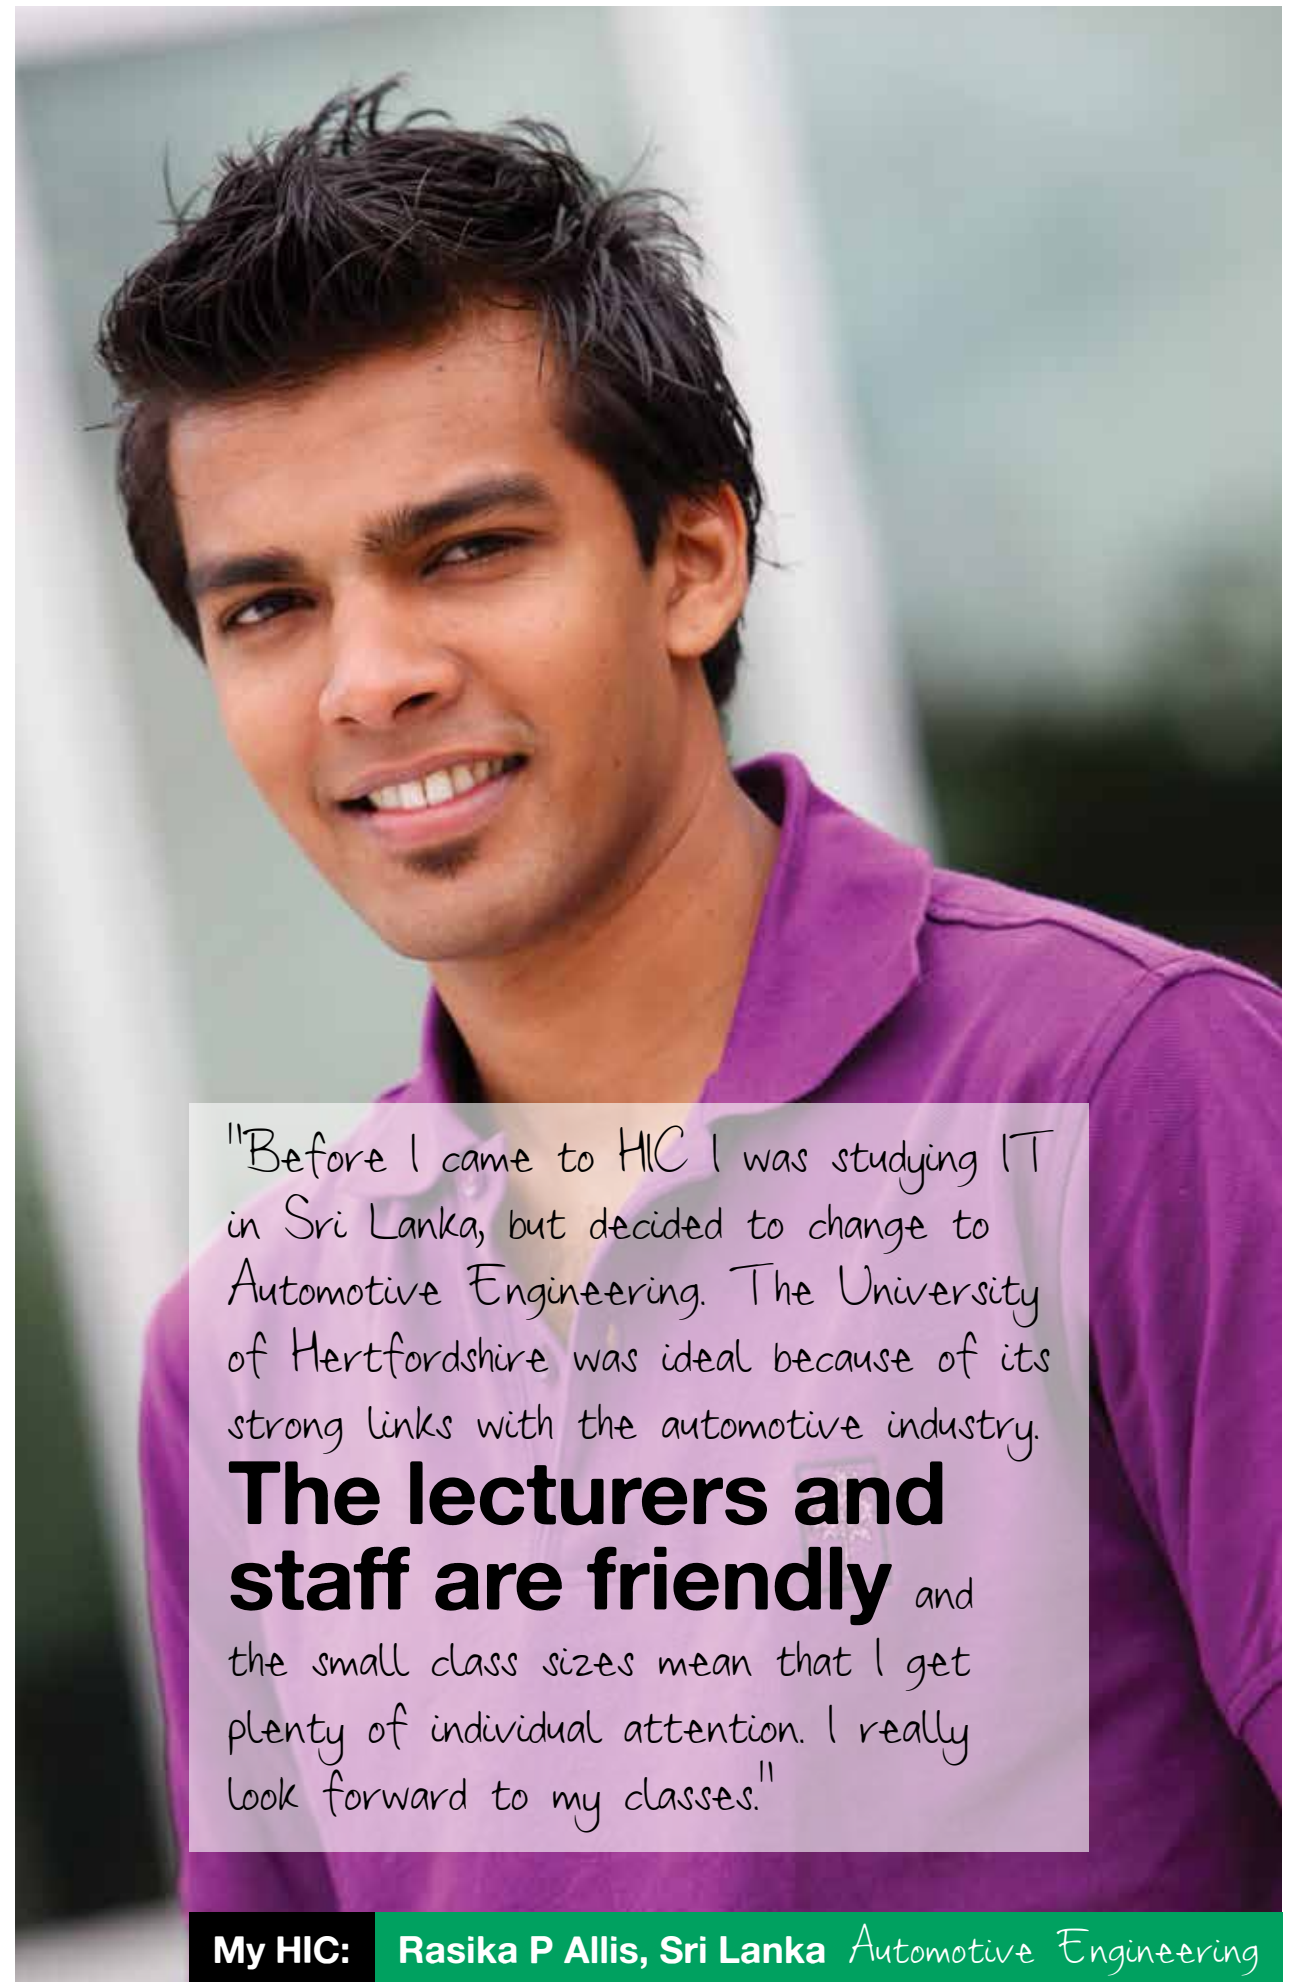

- **A range of degree pathways:** The partnership between the University of Hertfordshire and HIC allows you to move seamlessly through different stages of study and ultimately earn a high-quality UK Bachelor's or Masters degree.
- **Choice and flexibility:** With intakes available each year in September/October, January/February and May/June, you can enter an undergraduate or postgraduate pathway at a time that best suits you.
- **A supportive learning environment:** HIC offers unparalleled academic and welfare support, including a 24/7 student support helpline. A combination of small class sizes and additional tutorial

support from academic staff will enable you to succeed in your studies.

- **International degrees:** Upon successful completion of your studies, you will graduate with an internationally recognised Bachelor's or Masters degree from the University of Hertfordshire – these qualifications are highly valued by employers.
- **Academic quality:** Prior to appointment, HIC's teachers are approved by the University of Hertfordshire and many are members of the University's academic staff. As well as working within the University's academic quality framework, HIC's educational oversight is undertaken by the Quality Assurance Agency for

Higher Education (QAA). In 2012 HIC received the highest possible rating from the QAA, reflecting our commitment to academic quality. HIC is also a member of the UK Council for International Student Affairs (UKCISA).

- **Access to University facilities:** HIC is based at the University of Hertfordshire's College Lane Campus, and you will have access to all University facilities and accommodation is available at both campuses.
- **Proximity to London:** HIC is only 20 minutes away from central London, so it's easy to enjoy the delights of this world-class, cosmopolitan city in the evenings or at weekends.

"Before I came to HIC I was studying IT in Sri Lanka, but decided to change to Automotive Engineering. The University of Hertfordshire was ideal because of its strong links with the automotive industry.

**The lecturers and staff are friendly** and the small class sizes mean that I get plenty of individual attention. I really look forward to my classes."

**My HIC:** Rasika P Allis, Sri Lanka Automotive Engineering

# Pathways to the University of Hertfordshire

HIC is an Associate College of the University of Hertfordshire, offering students a modern and dynamic educational experience. We are committed to providing educational pathways and support services in an environment that encourages you to achieve excellence in your studies.

## Undergraduate pathways

An undergraduate pathway is a single course comprising four stages of study. When you successfully complete the pathway you will be awarded a Bachelor's degree from the University of Hertfordshire.

Depending on your chosen pathway, you can begin your studies in September, January or May.

### University Foundation

University Foundation is Stage 1 of the undergraduate pathway. The transition from high school to university is a big step, perhaps the most important in your life. HIC's university foundation is carefully designed with this in mind. The staff at HIC will provide you with ongoing guidance and support, as well as the knowledge and skills support you need to succeed in your future university studies.

### First Year Degree

First Year Degree is Stage 2 of the undergraduate pathway. During this stage you will experience the equivalent of the first-year curriculum of the University of Hertfordshire Bachelor's degree, but with smaller class sizes and extra academic

contact hours. Computer Science, Science and Engineering, Creative Arts, Life Sciences and Mass Communications students will join the first-year degree classes with the University of Hertfordshire students, with extra tutorial support from HIC. Law students will move from the University Foundation at HIC directly into the degree course at the University of Hertfordshire. The teaching and learning experience will enable you to fully develop your knowledge and understanding of each module to prepare you for the remaining stages of your pathway.

### Second Year Degree

Stage 3 of the undergraduate pathway is the second year of your degree, which is taught at the University of Hertfordshire.

### Final Year Degree

Stage 4 of the undergraduate pathway is the third (final) year of your degree, which is taught at the University of Hertfordshire.

## Postgraduate pathway

A postgraduate pathway is a single programme comprising two stages of study. When you successfully complete this pathway you will be awarded a Masters degree from the University of Hertfordshire.

You can start your postgraduate pathway in January, June or October.

### Pre-Masters

The Pre-Masters is stage 1 of the postgraduate pathway and takes either one or two semesters. It has been designed to prepare international students who have not qualified for direct entry to the University of Hertfordshire's Masters degrees, in the schools of Business, Creative Arts and Life Sciences.

Undertaking a Pre-Masters will give you time to adjust to the rigorous research and independent study requirements of a UK postgraduate degree. This will ensure you get the most out of your Masters studies at the University of Hertfordshire.

### Masters

Your Masters degree is stage 2 of the postgraduate pathway, and is taught at the University of Hertfordshire.

## Intensive English Language

Intensive English Language is a full-time programme specifically designed for international students who need to improve their English proficiency before starting their undergraduate or postgraduate studies.

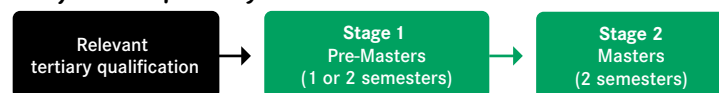

The programme, which HIC offers at the University of Hertfordshire's College Lane campus, is designed for students with differing levels of English competence.

You can start Intensive English Language in October, February or June.

### Undergraduate pathway

### Postgraduate pathway

# Student services

HIC provides many support services that will help you achieve your goals. During your studies you will have access to services offered by both HIC and the University of Hertfordshire.

We encourage you to use the support services available and to contact the friendly HIC staff for advice and assistance as soon as you are having difficulty with anything. Remember that HIC is here to help you.

The Student Support team looks after all of our students' needs. The team is responsible for:

- helping you enrol in your pathway
- helping you with your registration at HIC and the University of Hertfordshire
- orientation programmes
- student welfare
- study skills training
- learning support
- English language support
- disability support
- assignment assistance
- social activities.

## Orientation programme

When you join us at HIC, your first week will be spent getting to know your fellow classmates, meeting our staff and adjusting to your new life in the UK.

During your orientation week, you will receive information on:

- living and studying in the UK
- accommodation
- fees and travel arrangements
- health
- finance
- travel and transport
- social events.

Our team will also help you:

- enrol in your pathway
- obtain your student ID card and email account
- receive your academic timetable
- get to know your new home.

## Student activities

If you are interested in getting involved in sports and societies, the University of Hertfordshire is the place to be. It has some of the best sport and recreational facilities available at any UK university.

These include football, cricket and hockey pitches, courts, sports halls, a swimming pool, a gym and a climbing wall. There are over 100 student clubs and societies available, covering all of our students' social and sporting needs, including Youth Excellence societies.

Being part of sports clubs and student societies opens up many opportunities during your time at university. HIC encourages you to participate in these activities as much as possible.

## Students' Union

The University of Hertfordshire Students' Union (UHSU), based on the College Lane campus, organises year round social events on and off campus, as well as organising clubs and activities for the student body. The UHSU also has a very successful employment agency that posts hundreds of jobs throughout the year. Through the agency, you can find casual or part-time work (if you are eligible to work in the UK) that will allow you to earn money while studying.

## Counselling and support

The University of Hertfordshire offers an excellent confidential counselling service and a dedicated medical centre, both based at the College Lane campus. International student advisors are also available to give you free advice on issues such as housing, welfare and immigration.

HIC provides one-to-one support through personal tutoring, on-line responses and a student drop-in helpdesk facility.

## Multi-faith centre

The Key Centre is a multi-faith and multicultural centre, situated in a quiet area on the College Lane campus. It is the focal point for the spiritual life of the university, offering a place for prayer and reflection.

## Join us on Facebook

The HIC Facebook page is a great way to keep up to date with the social activities going on at HIC. It's also a great platform for sharing information, ideas, and meeting fellow students. Check us out at [facebook.com/HICstudents](https://facebook.com/HICstudents).

# Hatfield: a great place to live and learn

The University of Hertfordshire is located in Hatfield, just 20 minutes from London's King's Cross station and within easy access of the A1(M). Our two sites, College Lane and de Havilland, are situated less than a kilometre apart. A network of pathways, cycle routes and handy shuttle buses connect the two sites.

Old Hatfield retains many historic buildings, the most notable being Hatfield House. Elizabeth Tudor (later Queen Elizabeth I of England) was confined here for three years in what is now known as The Old Palace in Hatfield Park. The area is also recognised for its role in global aircraft manufacture due to the establishment of the de Havilland airfield and aircraft factory in Hatfield in 1930. During the next two decades de Havilland produced the world-famous Gypsy Moth and Tiger Moth biplanes, the Mosquito fighter bomber and the world's first jet airliner, the Comet.

### London

You will soon discover that it is not only your studies that offer you exciting challenges and experiences. Whether you want to visit museums, theatres or libraries; enjoy the city's shopping, dining or nightlife; see world-famous historic attractions or simply sit and watch the fascinating array of people, London has it all in abundance. You can also easily hop on a train to France

from St Pancras station or take a flight to a more exotic destination from Luton airport, situated just 30 minutes away.

### Climate

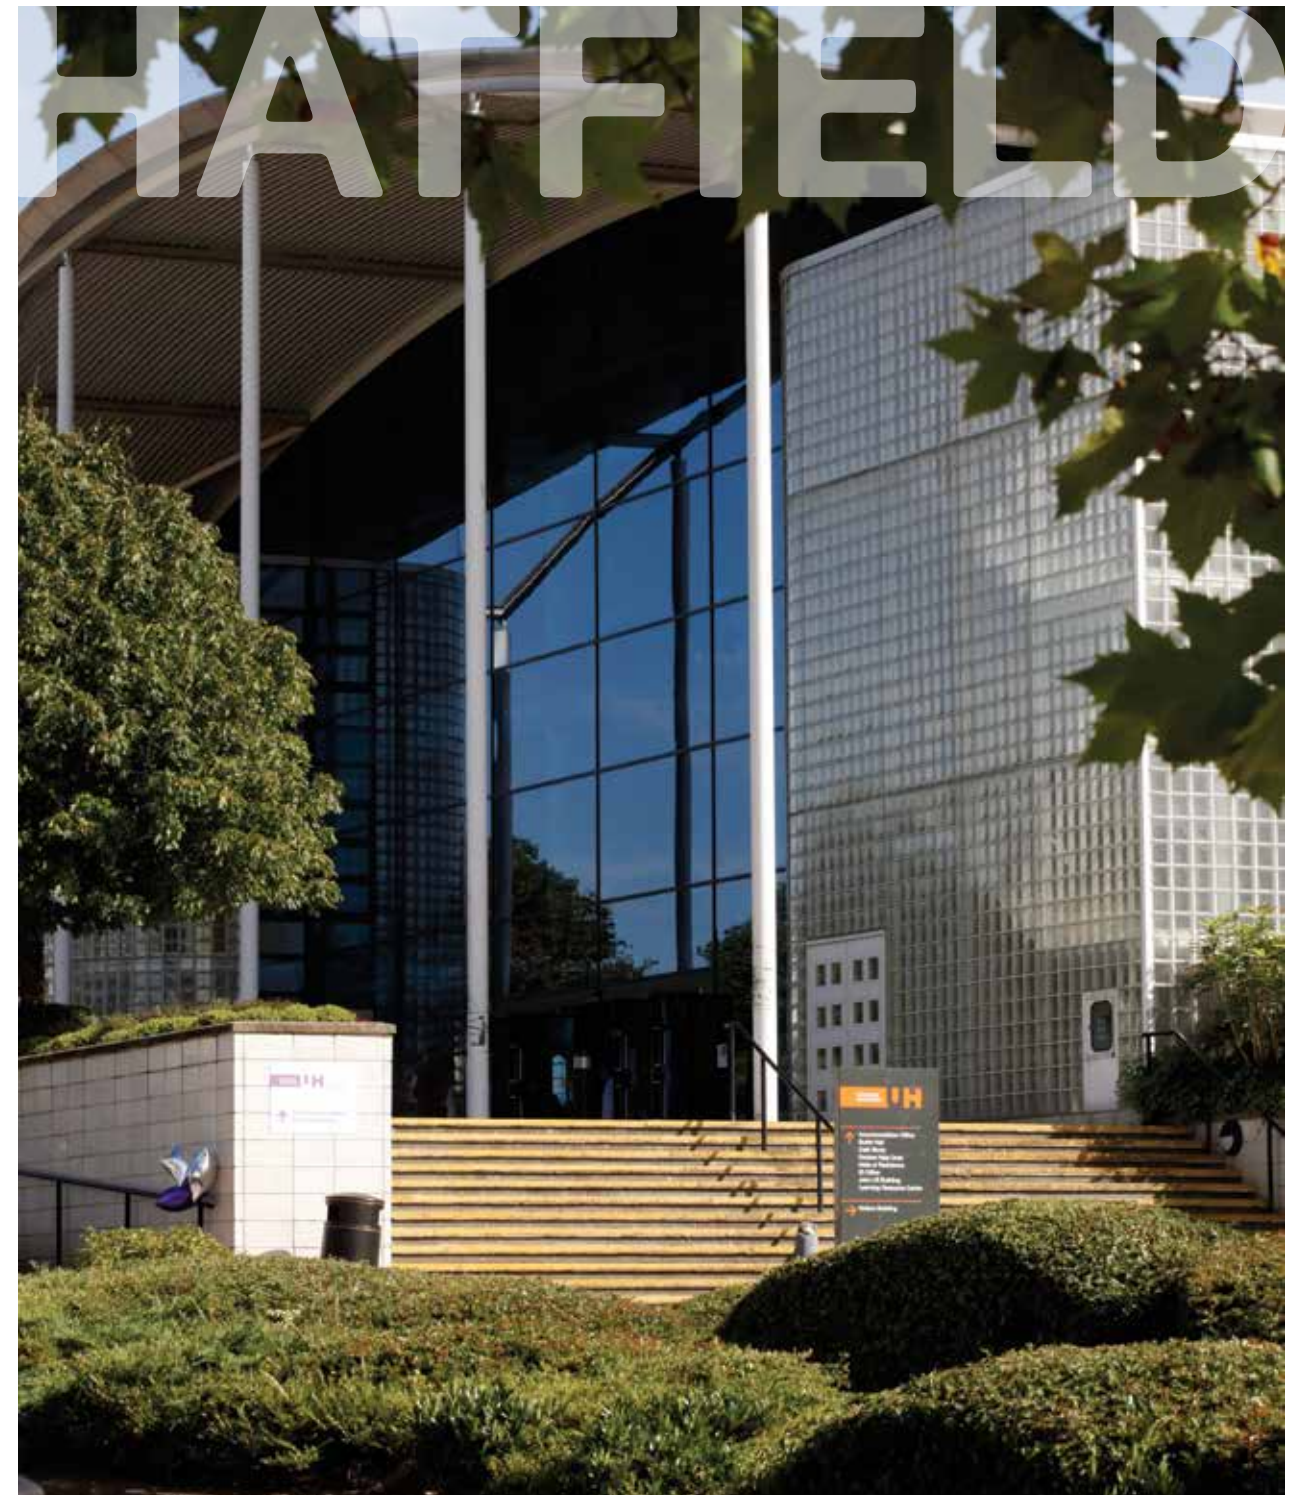

Hatfield experiences a climate similar to almost all of the United Kingdom, classified as a temperate maritime climate, with average maximum temperatures in summer (July) being around 21.5 °C (70.7 °F); and in winter (January) around 6.5 °C (43.7 °F).

### Cost of living

The UK government estimate that you will require £800 per calendar month of your studies for living expenses. In the average academic year (two semesters) the total estimated living costs will be £7,200. Please remember that your cost of living will vary according to your lifestyle.

Season	Period	Average temperature
Winter	December to February	5 °C to 9 °C
Spring	March to May	6 °C to 18 °C
Summer	June to August	13 °C to 23 °C
Autumn	September to November	8 °C to 20 °C

FAST FACTS

# Undergraduate pathways at HIC and University of Hertfordshire

HIC's undergraduate pathways are tailored to your choice of degree. For example, if you have chosen to pursue a Computer Science degree you will study relevant Computer Science modules from the start of your pathway. This will allow you to gain the necessary background knowledge and study skills to excel in your degree.

During your undergraduate pathway you will have access to all of the University of Hertfordshire's modern, well-equipped teaching and library facilities, sporting and recreational amenities and on-campus accommodation.

The advantages of an HIC undergraduate pathway include:

- **a seamless transition from school to university:** While the initial stages of your university life are the most important, this is often the time

when many students feel anxious or may require extra support. We understand this and have processes in place to ease the transition.

- **access to scholarships:** When you progress to the second year of your degree (Stage 3), if your academic performance at HIC has been excellent you may be considered for a Vice-Chancellor's Scholarship worth up to £2,000.

Pathways	Duration	Intakes	Structure	Assessment
<b>University Foundation (Stage 1)</b>	<ul style="list-style-type: none"> <li>• One semester University Foundation in Business; Creative Arts; Law or Mass Communications</li> <li>• Two semester University Foundation in Business; Computer Science; Creative Arts; Law; Life Sciences or Science and Engineering</li> </ul>	September, January* and May†	This normally comprises four modules each semester. These include academic studies in your subject area, as well as skills modules. Each module is tailored towards your chosen undergraduate degree.	Assessment for the majority of modules is continuous, and includes tests, assignments and case study analysis. Most modules have a final two-hour examination.
<b>First Year Degree (Stage 2)</b>	Two semesters, covering the first year of your degree	September/October and February†	<p>First Year Degree at HIC is either moderated or delivered and assessed by the University of Hertfordshire, depending on your chosen pathway.</p> <p>Students in the Business pathway will be taught by HIC with the input of subject specialists from the University's Business School. You will be taught in smaller classes and be given more individual attention than students in the regular first year of a business-related degree.</p> <p>Students in the Computer Science, Creative Arts; Life Sciences†; Science and Engineering or Mass Communications pathways attend the University's own first-year degree classes, with additional support through compulsory tutorials at HIC. HIC's compulsory tutorials and support services will ensure you optimise your educational, social and lifestyle opportunities.</p> <p>Law students move from the University Foundation course at HIC directly into the degree course at the University of Hertfordshire.</p>	Assessment for the majority of modules is continuous, and includes tests, assignments and case study analysis. Most modules have a final two-hour examination.

\* The January intake for Stage 2 is only available in the Business pathway.

† The May intake is not available for any two semester foundation programmes with the exception of Business.

Pathways	Duration	Structure	Assessment
<b>Second Year Degree (Stage 3)</b>	Two semesters, covering the second year of your degree	You will undertake four or five modules each semester to study the key areas within your degree. You will receive extra support through tutorials, individual consultations with teachers and English language assistance, as well as having access to computer laboratories.	Assessment is through a combination of examinations, coursework, essays and other written assignments. Coursework may include problem-solving activities, individual and group reports, consultancy projects, presentations and business simulations.
<b>Final Year Degree (Stage 4)</b>	Two semesters, covering the final year of your degree	You will undertake four or five modules each semester to further study the key areas within your degree. For some degrees, you will be able to concentrate on a particular stream within a subject area. As with previous semesters, you will receive extra support through tutorials, individual consultations with teachers and English language assistance, as well as having access to computer laboratories.	Assessment is through a combination of examinations, assignments, group work and presentations, practical and laboratory work (for science-based degrees), in-class group projects and a final dissertation.

According to prospects, average starting salaries in this industry are £21,000.

#### Stage 1: University Foundation

##### Duration

Two semesters

##### Course fee

£8,800

#### Progression rule to Stage 2

Minimum 50% pass mark in all modules except ILSC which is 60% with minimum 85% attendance required across all modules.

##### Modules

###### Semester one

- Interactive Learning Skills and Communication
- Principles of ICT
- Physics 1
- Maths 1

###### Semester two

- Biology 1
- Biology 2
- Chemistry
- Maths 2

#### Stage 2: First Year Degree

##### Duration

Two semesters

##### Course fee

£11,300

#### Progression rule to Stage 3

Minimum 40% pass mark all modules with minimum 85% attendance required.

##### Modules

You will study modules totalling 120 credits appropriate to your degree of choice.

#### Stage 3 at University of Hertfordshire major options:

- BSc (Hons) Biochemistry
- BSc (Hons) Biological Sciences
- BSc (Hons) Environmental Management
- BSc (Hons) Environmental Management with Agriculture
- BSc (Hons) Human Geography
- BSc (Hons) Geography
- BSc (Hons) Molecular Biology
- BSc (Hons) Nutrition
- BSc (Hons) Pharmaceutical Science
- BSc (Hons) Pharmacology
- BSc (Hons) Physical Geography
- BSc (Hons) Psychology
- BSc (Hons) Sports and Exercise Science
- BSc (Hons) Sports Studies
- BSc (Hons) Sustainable Agriculture and Food Security

### Mass Communications

Mass Communications is growing in popularity year on year and its easy to see why. Web design, advertising and the media industry all need students with these skills.

#### Employment and career options

Potential careers in advertising, desktop publishing, film production, journalism, public relations, television production, web design, with previous graduates having been employed by Christian Dior, Jaeger and Which Magazine.

#### Average starting salaries

£17,275.

Close links with prestigious bodies such as the Economic and Social Research Council (ESRC), the Heritage Lottery Foundation and the Mind Association attract valuable research funding. As a result, the School's graduates have an excellent record of gaining employment in media, publishing, teaching and information management, where skills in analysis, communication and evaluation are highly valued. In 2013, 3rd year students were even invited to the Ogilvy PR head office in London as part of the course.

#### Stage 1: University Foundation

##### Duration

One or two semesters

##### Course fee

One semester: £5,500  
Two semesters £8,800

#### Progression rule to Stage 2

Minimum 50% pass mark in all modules except ILSC which is 60% with minimum 85% attendance required across all modules.

##### Modules

###### One semester

- Interactive Learning Skills and Communication
- Principles of ICT
- Business Studies
- Introduction to Mass Communications

###### Two semesters

- As above plus
- Accounting
- Globalisation
- Economics
- Business Management

#### Stage 2: First Year Degree

##### Duration

Two semesters

##### Course fee

£10,800

#### Progression rule to Stage 3

Minimum 40% pass mark all modules with minimum 85% attendance required.

##### Modules

- Journalism Skills – Print News and Features
- Introduction to Media Communications
- Media Research Methods
- Introduction to Film Criticism
- Graphics for the Web
- Introduction to Film Theory
- Journalism – Law and Ethics
- Web Animation

#### Stage 3 at University of Hertfordshire major options:

- BA (Hons) Mass Communications

### Science and Engineering

In the 2014 Times rankings Hertfordshire was placed 24th for Aeronautical Engineering.

#### Employment and career options

Previous graduates have gone to work in a variety of roles such as; aerospace engineering, aircraft maintenance, IT management, motorsport engineering. Our Maths graduates have gone on to work as currency, options, stock traders and financial analysts to name a few. Some employers of our graduates in these fields have been: BAE Systems, BarclaysCapital, Bentley, British Airways, Citibank, Ford, EADS Astrium, GlaxoSmithKline, Jaguar, Qinetiq.

#### Average starting salaries

According to prospects average starting salaries for these graduates are £24,337.

The School of Engineering and Technology's automotive and mechanical engineering degrees provide the first step for students looking to gain Chartered Engineer status. Many of our courses carry accreditation from, for example; Institution of Engineering and Technology, Institution of Mechanical Engineers, Royal Aeronautical Society and may contribute towards achieving Chartered Engineer status. The University also has a strong track record of providing the aerospace industry with highly skilled aeronautical engineers and courses.

#### Stage 1: University Foundation

##### Duration

Two semesters

##### Course fee

£8,800

#### Progression rule to Stage 2

Minimum 50% pass mark in all modules except ILSC which is 60% with minimum 85% attendance required across all modules.

##### Modules

- Interactive Learning Skills and Communication
- Principles of ICT
- Maths 1 + 2
- Physics 1 + 2
- Introduction to Programming
- Statistics

#### Stage 2: First Year Degree

##### Duration

Two semesters

##### Course fee

£11,300

#### Progression rule to Stage 3

Minimum 40% pass mark all modules with minimum 85% attendance required.

##### Modules

All students study Engineering Mathematics, and a further 105 credits relevant to your chosen course of study.

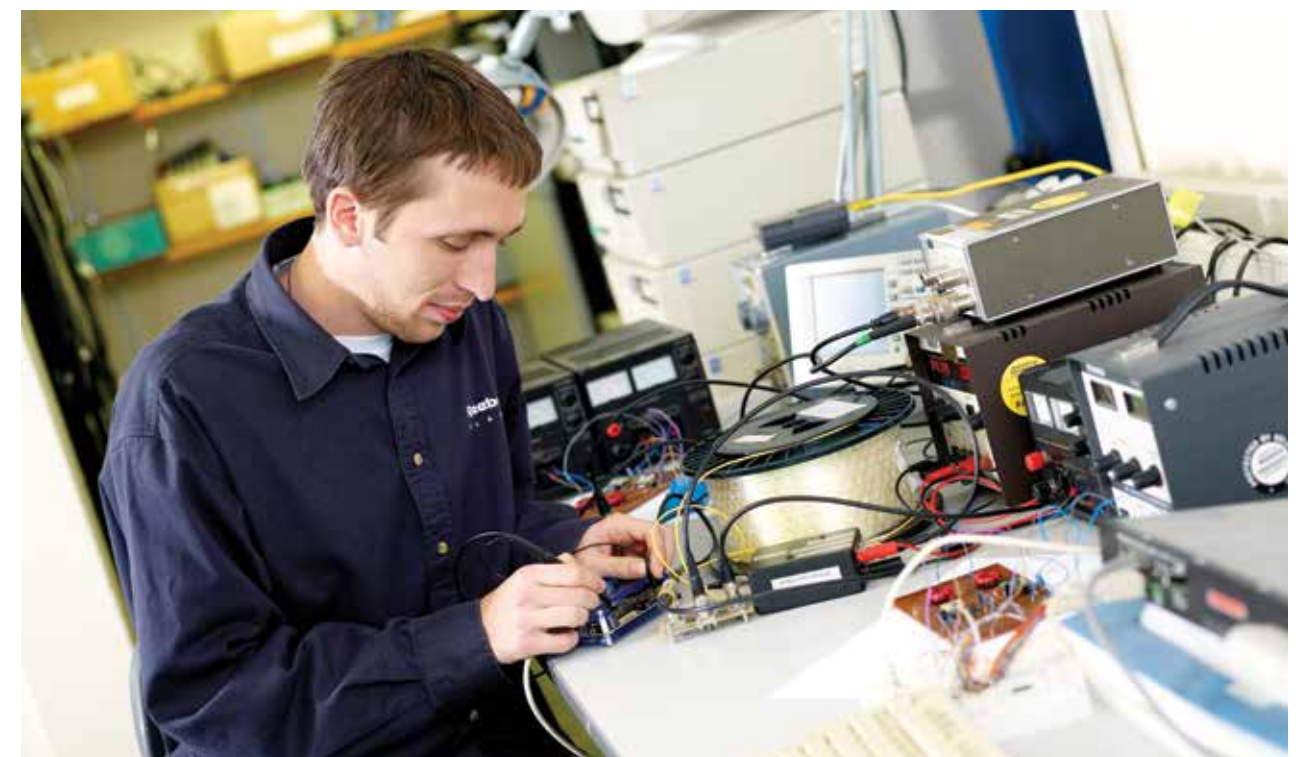

#### Stage 3 at University of Hertfordshire major options:

##### Mathematics and Physics

- BSc (Hons) Astrophysics
- BSc (Hons) Financial Mathematics
- BSc (Hons) Mathematics
- BSc (Hons) Physics

##### Science and Engineering

- BEng (Hons) Aerospace Engineering
- BEng (Hons) Aerospace Engineering with Space Technology
- BEng (Hons) Aerospace Systems Engineering
- BEng (Hons) Aerospace Systems Engineering with Pilot Studies
- BSc (Hons) Aerospace Technology with Management
- BSc (Hons) Aerospace Technology with Pilot Studies
- BEng (Hons) Automotive Engineering
- BEng (Hons) Automotive Engineering with Motorsport
- BSc (Hons) Automotive Technology with Management
- BSc (Hons) Computer Technology and Networks
- BEng (Hons) Digital Communications and Electronics
- BEng (Hons) Digital Systems and Computer Engineering
- BEng (Hons) Electrical and Electronic Engineering
- BEng (Hons) Mechanical Engineering
- BSc (Hons) Motorsport Technology
- BSc (Hons) Multimedia Systems Technology

# Postgraduate pathway at HIC and University of Hertfordshire

A postgraduate pathway will give you valuable insight into postgraduate-level studies in the UK. Most importantly, it will equip you with the knowledge and skills you need to excel in a taught Masters degree at the University of Hertfordshire.

The postgraduate pathway is designed for students from a variety of backgrounds who:

- require additional English language training
- have been away from studies for a period of time
- come from an academic background different to that of the UK
- are looking to fine tune skills already gained during undergraduate studies, employment or both
- are transferring to a new area of study.

The pathway will prepare you for future postgraduate studies by giving you confidence and expertise in areas relevant to your taught Masters degree. You will:

- develop a fundamental understanding of the basic principles relevant to your chosen degree
- learn numerical techniques, research methodologies and presentation and communication skills
- gain transferable skills that will help you in your academic studies and future career and enable you to make informed decisions
- achieve the necessary level of language competence for your chosen field of study.

Pathways	Duration	Intakes	Structure	Assessment
<b>Pre-Masters (Stage 1)</b>	One or two semesters	February, June and October	Five taught modules are delivered across 12 weeks, with English language skills integrated and developed within the taught modules. These modules will prepare you for your Masters degree, as well as focusing on the core academic skills required for postgraduate study.	Assessment for most modules is continuous, and includes tests, assignments and presentations.
<b>Masters (Stage 2)</b>	One year	September and January (depending on your chosen degree)	During this stage you will build on what you have learnt during the Pre-Masters stage. You will also increase your professional understanding of your area of study. A coursework Masters degree usually consists of a series of specialist modules in structured class, seminar or tutorial formats, with a final major project or dissertation component. A research thesis component may also be included, but this will be much shorter than what is required for a research Masters degree.	Modules will be assessed through examinations, assignments, essays or seminar performance. Assessment may also include individual and group projects and presentations. For most Masters degrees, preparing and submitting a major project or dissertation will form a large part of the assessment and final grade.

## Postgraduate degrees available to HIC students

### Creative Arts (taught Masters) degree

- MA Animation
- MA Applied Arts
- MA Art Therapy
- MA Character Creation and Technical Effects
- MA Contemporary Textiles
- MA Fashion
- MA Film and Television
- MA Fine Art
- MA Games Art
- MA Graphic Design
- MA Illustration
- MA Interactive Media
- MA Interior and Spatial Design
- MA Model Design and Model Effects
- MSc Music Composition for Film and Media
- MSc Music and Sound Technology (Audio Engineering/Programming)
- MA Photographic Media
- MA Product Design
- MA Screen Cultures
- MA Special Effects

### Life Science (taught Masters) degree

- MSc Biotechnology
- MSc Business Psychology
- MSc Environmental Management
- MSc Environmental Management for Agriculture
- MSc Environmental Management for Business
- MSc Molecular Biology
- MSc Organisational Psychology
- MSc Public Health
- MSc Research Methods in Cognitive Neuropsychology
- MSc Research Methods in Psychology
- MSc Sustainable Planning and Environmental Management
- MSc Sustainable Planning
- MSc Water and Environmental Management

### Medical (taught Masters) degree:

- MSc Advancing Pharmacy Practice
- MSc Cardiology and Stroke
- MSc Dermatology Skills and Treatment
- MSc Health and Medical Education
- MSc Medical and Healthcare Simulation
- MSc Medicinal Chemistry
- MSc Mental Health Practice
- MSc Pharmaceutical Analysis
- MSc Pharmaceutics
- MSc Pharmacology
- MSc Psychiatric Practice
- MSc Skin Integrity Skills and Treatment

### Business (taught Masters) degree

- MSc Accounting and Financial Management
- MA Human Resource Management
- MSc International Business
- MSc International Tourism and Hospitality Management
- MSc Management
- MSc Marketing
- MSc Project Management

# Postgraduate course outlines

## Business

A postgraduate pathway in business will give you valuable insight into postgraduate-level studies in the UK. Most importantly, it will equip you with the knowledge and skills you need to excel in a taught Masters degree at the University of Hertfordshire Business School.

### Employment and career options

Potential careers in: advertising, business management, hospitality industry, human resources and project management.

### Average starting salaries

Starting salaries can vary but generally a Business Masters degree student can expect to earn between £22,000-£25,000 per year.

### Stage 1: Pre-Masters

#### Duration

One semester

#### Course fee

£6,100

### Progression rule to Stage 2

There is a required 50% pass mark in all modules plus a minimum of 85% attendance.

#### Modules

- Research Methods
- Economic Environment of Business
- Business Strategy
- People Management
- Academic Writing

### Stage 2 at The University of Hertfordshire major options:

- MA Human Resource Management and Employment Relations\*
- MSc Accounting and Financial Management\*
- MSc International Business
- MSc International Tourism and Hospitality Management\*
- MSc Management
- MSc Marketing
- MSc Project Management\*

\* Only available for June start.

## Creative Arts

The Pre-Masters in Creative Arts is designed to provide students with the skills, techniques and knowledge to successfully undertake a Masters degree at the University of Hertfordshire's School of Creative Arts.

### Employment and career options

Potential careers in: fashion, interior design, media, textile design, to name a few.

### Average starting salaries

Starting salaries can vary but generally an Arts Masters degree student can expect to earn between £18,000-£28,000 per year.

### Stage 2 at The University of Hertfordshire major options:

- MA Animation
- MA Applied Arts
- MA Art Therapy
- MA Character Creation and Technical Effects
- MA Contemporary Textiles
- MA Fashion
- MA Film and Television
- MA Fine Art
- MA Games Art
- MA Graphic Design
- MA Illustration
- MA Interactive Media
- MA Interior and Spatial Design
- MA Model Design and Model Effects
- MA Photographic Media
- MA Product Design
- MA Special Effects
- MA Screen Cultures
- MSc Music Composition for Film and Media
- MSc Music and Sound Technology (Audio Engineering/Programming)

### Stage 1: Pre-Masters

#### Duration

One or two semesters

#### Course fee

One semester £6,100  
Two semesters £8,800

### Progression rule to Stage 2

There is a required 50% pass mark in all modules plus a minimum of 85% attendance.

#### Modules

##### One semester

- Interactive Learning Skills and Communication (with mini dissertation)
- Academic Writing
- Pre-Masters Specialist Project 1 (Double Module)

##### Two semesters

- Pre-Masters Specialist Project 2 (Double Module)
- Advanced Practical Study Skills
- Mass Communications

## Life Sciences

The Pre-Masters In Life Sciences is designed to provide students with skills, techniques and knowledge with which they can successfully undertake a Masters degree in the University of Hertfordshire's department of Human and Environmental Sciences.

### Employment and career options

Potential careers in: biotechnology, consulting, environmental management, PhD study, research.

### Average starting salaries

Starting salaries can vary but generally a Life Science Masters degree student can expect to earn between £24,000-£28,000 per year.

### Stage 1: Pre-Masters

#### Duration

One or two semesters†

#### Course fee

One semester £6,100  
Two semesters £8,800

### Progression rule to Stage 2

There is a required 50% pass mark in all modules plus a minimum of 85% attendance.

#### Modules

##### Semester one

- Research Methods
- Academic Writing
- Maths
- Biology 1

##### Semester two

- ILSC
- Biology 2
- Chemistry
- Physics

### Stage 2 at The University of Hertfordshire major options:

#### Life Science (taught Masters) degree:

- MSc Biotechnology
- MSc Business Psychology
- MSc Environmental Management
- MSc Environmental Management for Agriculture
- MSc Environmental Management for Business
- MSc Molecular Biology
- MSc Organisational Psychology
- MSc Public Health
- MSc Research Methods in Cognitive Neuropsychology
- MSc Research Methods in Psychology
- MSc Sustainable Planning
- MSc Sustainable Planning and Environmental Management
- MSc Water and Environmental Management

#### Medical (taught Masters) degree:

- MSc Advancing Pharmacy Practice
- MSc Cardiology and Stroke
- MSc Dermatology Skills and Treatment
- MSc Health and Medical Education
- MSc Medical and Healthcare Simulation
- MSc Medicinal Chemistry
- MSc Mental Health Practice
- MSc Pharmaceutical Analysis
- MSc Pharmaceutics
- MSc Pharmacology
- MSc Psychiatric Practice
- MSc Skin Integrity Skills and Treatment

Postgraduate Life and Medical Science applicants will qualify for one semester with an ordinary degree in a related subject specialism. Two semesters will be required if an ordinary degree or NQF 6 Diploma in subjects outside the desired area of study. A further bridging course may be required for psychology students on the two semester course.

# Admissions requirements

The table below is a guideline to the academic requirements for entry into HIC's Stage 1, Stage 2 and Pre-Masters programs.

HIC welcomes all applications from all countries, and will assess each application on its own merit.

## Mature-aged entry

Applicants who are aged 21 years or above will need to provide a 500 word personal statement in addition to the standard academic entry criteria.

## Creative Arts applicants

Applicants for a Creative Arts program will need to provide a portfolio as evidence of their creative ability in addition to the standard entry criteria. Examples of work can be sent electronically at the application stage.

## Postgraduate Life and Medical Science applicants

Postgraduate Life and Medical Science applicants will qualify for one semester with an ordinary degree in a related subject specialism. Two semesters will be required if an ordinary degree or NQF 6 Diploma in subjects outside the desired area of study. A further bridging course may be required for psychology students on the two semester course.

If your country is not listed, please contact HIC's Admission Office by emailing [admissions@hic.navitas.com](mailto:admissions@hic.navitas.com).

Country/Region	Undergraduate pathway		Postgraduate pathway
	Stage 1: University Foundation	Stage 2: First Year Degree	Stage 1: Pre-Masters
UK	5 GCSE passes at grade C (1 semester) 5 GCSE passes at grade E (2 semesters)	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of a recognised Bachelor Degree, pass grade
Angola	Habilitação Literárias with grade 11 overall (1 semester) Habilitação Literárias with grade 10 overall (2 semesters)	Grade 10 at Pre-university Certificate	Completion of Licenciado
Bangladesh	Completion of HSC 12 with GPA of 2.5 (1 semester) Completion of HSC 12 with GPA of 2.0 (2 semesters)	Completion of HSC 12 with grade average of 3.0 (3.5 for Engineering)	Completion of a recognised Bachelor Degree: GPA 2.2
Botswana	5 passes at grade C BGSCE or COSC (1 semester) 5 passes at grade E BGSCE or COSC (2 semesters)	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of a recognised Bachelor Degree: pass grade
Cameroon	Baccalaureat 5 passes/Certificat de Probation 5 passes at grade 10 / GCE O level 5 passes grade C	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Licenc with a minimum grade 13
Canada	Completion of grade 11: 60% average	Completion of grade 12: 65% average	Completion of a recognised Bachelor Degree, pass grade
China	Successful completion of Senior Middle School 2 with at least 70%	Successful completion of Senior Middle School 3 with 60% average / Engineering and Computer Science 70%	Completion of a recognised Bachelor Degree or 3 year Diploma (DaZhuan) from a recognized institution with minimum 60%
Egypt	5 passes at Certificate of General Secondary Education or Secondary Education Certificate of Al Alzhar at 50%	120 UCAS Tariff points at A/AS Level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of a recognised Bachelor Degree, pass grade
EU member states	Minimum of 20 points from International Baccalaureate or equivalent qualification	Minimum of 24 points from International Baccalaureate or equivalent qualification	Completion of a recognised Bachelor Degree, pass grade
Ghana	5 C grades from Senior Secondary School (WAEC/NECO) examinations (1 semester) 5 E grades from Senior Secondary School (WAEC/NECO) examinations (2 semesters)	West African A Levels/ 120 UCAS Tariff points at A or AS Level / minimum of 24 points in the International Baccalaureate (IB) / Diploma from Polytechnic	Completion of a recognised Bachelor Degree, pass grade

Country/Region	Undergraduate pathway		Postgraduate pathway
	Stage 1: University Foundation	Stage 2: First Year Degree	Stage 1: Pre-Masters
Gulf	2 semester Foundation: 50% in the Secondary School Certificate (Tawjihyah, Thanawiya, Thanawaya) or 5 E grades at GCSE 1 semester Foundation: 60% in the Secondary School Certificate (Tawjihyah, Thanawiya, Thanawaya) or 5 C grades at GCSE	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of a recognised Bachelor Degree: pass grade
Hong Kong	60% in Form 4 and 5 (1 semester) 50% in Form 4 and 5 (2 semesters) or 6 from a maximum total of 3 HKDSE grades (1 semester)	Business – 10 from a maximum of any three DSE grades Engineering – 10 from a maximum of three DSE grades, must include Maths and Physics grade at 3	Completion of a recognised Bachelor Degree with GPA 2.0
India	Completion of all India or State SSC (X) with 50% average (1 semester) Completion of all India or State SSC (X) with 40% average (2 semesters)	Completion of All India or State Board HSC (XII) with 50% average or 55% for Engineering/Computing (including a 55% in maths)	Completion of a recognised Bachelor Degree: Pass class
Indonesia	Completion of all SMA II with average grade 7.0 (1 semester) Completion of all SMA II with average grade 6.0 (2 semesters)	Completion of SMA III with grade 7.0 in 4 academic subjects	Completion of a recognised Bachelor Degree (Sarjana 1: grade B)
Iran	Completion of High School Diploma with an overall pass	Completion of High School Diploma and Pre-University Certificate with a grade average of 10 or above.	Completion of a recognised Bachelor Degree or 3 year Diploma equivalent from a recognised institution: grade 10/20
Jordan	5 passes at Certificate of General Secondary Education	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of a recognised Bachelor Degree: pass grade
Kazakhstan	5 passes at DCSE with grade 3 level or a minimum of 24 points in the International Baccalaureate (IB)	120 UCAS Tariff points at A/AS† level	Completion of Bakalava: pass grade
Kenya	Completion of KCSE/CSE with grades C or above in 5 subjects (1 semester) Completion of KCSE/CSE with grades D or above in 5 subjects (2 semesters)	East Africa Advanced Certificate of Education (EAACE) – 2 subjects at grade E or above.	Completion of a recognised Bachelor Degree: pass grade
Korea	Completion of High School Diploma with minimum grade C (1 semester) Completion of High School Diploma with minimum grade E (2 semesters)	Completion of High School Diploma with minimum grade B	Equivalent to completion of a recognised UK Bachelor Degree
Latin America	Equivalent to 5 passes at GCSE	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of a recognised Bachelor / Licenciado: pass grade
Macau	5 passes at Cambridge Overseas School Certificate (COSC) / GCE O Level / HKCEE	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of recognised Bachelor Degree: GPA 2.0
Malawi	5 passes at Malawi Certificate of Secondary Education at grade C (1 semester) 5 passes at Malawi Certificate of Secondary Education at grade E (2 semesters)	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of recognised Bachelor Degree: GPA 2.0

## Academic entry requirements (continued)

Country/Region	Undergraduate pathway		Postgraduate pathway
	Stage 1: University Foundation	Stage 2: First Year Degree	Stage 1: Pre-Masters
Malaysia	5 passes at SPM at grade E, or pass in the UEC (forecast results are accepted)	2 passes at STPM at grade D, or in the UEC 4 passes at grade B	Completion of recognised Bachelor Degree: Class 3
Mauritius	5 GCSE/O Level/ COSC passes, minimum Grade C (1 semester) 5 GCSE/O Level/ COSC passes, minimum Grade E (2 semesters)	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of recognised Bachelor Degree: GPA 2.0
Mongolia	Completion of Certificate of Secondary Education with pass overall (60%)	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Equivalent to completion of a recognised UK Bachelor Degree
Myanmar	5 passes (40%) at Basic Education High School Examinations	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of a recognised Bachelor Degree: pass grade
Namibia	5 passes in Cambridge School Certificate (CSC) or Cambridge Overseas School Certificate (COSC) / GCE O Level	Namibia Senior Secondary Certificate (with Matriculation Endorsement)	Completion of a recognised Bachelor Degree: grade A
Nepal	Completion of HSEC 12 with grade average of 50% (1 semester) Completion of HSEC 12 with grade average of 40% (2 semesters)	Completion of HSEC 12 with grade average of 60%	Completion of a recognised Bachelor of Engineering, Architecture, Technology, Medicine, Surgery: pass grade
Nigeria	5 C grades from Senior Secondary School (WAEC/NECO) examinations (1 semester) 5 D grades from Senior Secondary School (WAEC/NECO) examinations (2 semesters)	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB) or pass in National Diploma	Completion of a recognised Bachelor Degree: 3rd class/GPA 2.0
Pakistan	Completion of SSC (10) with grade average of 60%	Completion of HSC (10+2) with grade average of 50% / 65% Engineering / Computing	Completion of a recognised Bachelor Degree: 50%/GPA 2 out of 4 or GPA 2.5 out of 5. BCom with 65% and 3 years relevant experience
Russia/CIS	Completion of "Atestat" with 3.0 average	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of Bakalavr: Grade 3
Singapore	Successful completion of O Level	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of a recognised Bachelor Degree: 2nd class lower division / CAP 3.5
South Africa	Completion of Senior Certificate (no matriculation endorsement)	Completion of Senior Certificate (with matriculation endorsement)	Completion of an Advanced Diploma: 2nd class/60% or a Bachelor Degree: 3rd class/50%
Sri Lanka	Successful completion of Year 11 (GCE 'O' Levels) or equivalent, with minimum of 5 C grades (1 semester) Successful completion of Year 11 (GCE 'O' Levels) or equivalent, with minimum of 3 C and 2 S grades (2 semesters)	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of a recognised Bachelor Degree: 55%
Taiwan	Successful completion of Senior Middle School 2 with at least 70%	Successful completion of Senior Middle School 3 with 70% average	Completion of a recognised Bachelor Degree: grade C/pass

Country/Region	Undergraduate pathway		Postgraduate pathway
	Stage 1: University Foundation	Stage 2: First Year Degree	Stage 1: Pre-Masters
Tanzania	Certificate in Secondary Education – 5 passes at grade C (1 semester) Certificate in Secondary Education – 5 passes at grade E (2 semesters)	Cambridge Overseas Higher School Certificate (COHSC) / East Africa Advanced Certificate of Education (EAACE): 2 subjects at grade E or above. National Form VI Examination / Advanced Certificate of Secondary Education (ACSE): grade S or above in 2 subjects.	Completion of a recognised Bachelor Degree: pass grade
Thailand	Successful completion of Matayom 6 with a minimum average of 50% or completion of Matayom 5 with a minimum average of 65%	Successful completion of Matayom 6 with a minimum average of 65% or above	Completion of a recognised Bachelor Degree: GPA 2.0
Turkey	Successful completion of Devlet Lise Diploması (State High School Diploma) with a minimum average of 50%	Devlet Meslek Lise Diploması / Lise Diploması / On-Lisans Diploması: Grade 3 (60%) or above	Completion of a Lisans Diploması: GPA 2.0
Uganda	5 passes at Uganda Certificate of Education (UCE) grade 6 or above (1 semester) 5 passes at Uganda Certificate of Education (UCE) grade 8 or above (2 semesters)	2 passes at Uganda Advanced Certificate of Education (UACE) when grades 1-6 are obtained. Cambridge Overseas Higher School Certificate (COHSC)/East Africa Advanced Certificate of Education (EAACE) – 2 subjects at grade E or above.	Completion of a recognised Bachelor Degree: GPA 2.0
USA	High School Graduation Certificate	High School Graduation Certificate with 2.5 score plus SAT's/AP/ACT examinations at grade E equivalent	Completion of a recognised Bachelor Degree: grade C
Vietnam	Successful completion of Year 11 with 6.0 average	Successful completion of Year 12 with 6.0 average	Completion of a recognised Bachelor Degree: pass grade
Zambia	5 passes at ZSC with minimum grade 6 (1 semester) 5 passes at ZSC with minimum grade 8 (2 semesters)	120 UCAS Tariff points at A/AS level or a minimum of 24 points in the International Baccalaureate (IB)	Completion of a recognised Bachelor Degree: 50%/grade C
Zimbabwe	5 passes in ZGCE O Level at grade C (1 semester) 5 passes in ZGCE O Level at grade E (2 semesters)	2 passes in ZIMSEC A level grade E	Completion of a recognised Bachelor Degree: 3rd division

1. All students must have taken English and Maths to GCSE Level (or equivalent)
2. Students presenting with UCAS tariff points must have taken at least one A Level.
3. Entry requirements are subject to change. Admission to the College will also be subject to other factors (eg financial background, study profile etc.)

## English language preparation

HIC offers Intensive English Language (IEL) courses specifically for students who need to improve their English language skills before entering their undergraduate or postgraduate pathway. English courses are held every semester and start in October, February and June (the same months as HIC's academic intakes).

### IEL 1

**Location**

HIC at the University of Hertfordshire

**Intakes**

October, February and June

**Duration**

13 weeks (20 hours per week)

**Entry requirement**

Our entry requirements vary depending on your previous level of study and the academic programme you wish to progress on to at HIC. The absolute minimum entry requirement is usually an IELTS score of 4.5 with no less than 4.5 in any band. We also accept Pearsons.

**Course fee**

£4,050

### IEL 3

**Location**

HIC at the University of Hertfordshire

**Intakes**

October, February and June

**Duration**

23 weeks (20 hours per week)

**Entry requirement**

Our entry requirements vary depending on your previous level of study and the academic programme you wish to progress on to at HIC. The absolute minimum entry requirement is usually an IELTS score of 4.0 with no less than 4.0 in any band. We also accept Pearsons.

**Course fee**

£6,800

By undertaking an English Language course at HIC you will:

- develop a broad, academically useful vocabulary
- improve your pronunciation and grammatical skills
- build skills to improve your lecture note-taking and seminar participation
- develop your writing skills for essays, reports and academic assignments
- improve your reading comprehension
- develop research skills needed to read academic texts, journals and papers efficiently and effectively.

## Navitas bursaries and scholarships

### Navitas family bursaries

Navitas offers financial support in the form of family bursaries. A bursary applies where two or more students from the same family study with a Navitas member institution.\* The bursary is equivalent to 10 percent of the tuition fee of your programme of study.†

### Navitas academic merit scholarships

Navitas is committed to helping you achieve your career goals by offering scholarships to outstanding students.

Each term, Navitas colleges\* award two students with academic merit scholarships.

For more information, talk to an Advisor at your college about how to apply for a merit scholarship or visit individual college websites and search for 'scholarships and bursaries'.

\* The Navitas family bursary and academic merit scholarships are offered to students studying at ACBT, La Trobe University Sydney Campus, AUSI, BCUIIC, Curtin College, Curtin University Sydney, Curtin Singapore, CRIC, EIBT, EIC, Eynesbury, FIC, HIC, ICM, ICP, ICRGU, ICWS, La Trobe Melbourne, LBIC, Macquarie City Campus, MIBT, MIBT Indonesia, Navitas at UMass Boston, Navitas at UMass Dartmouth, Navitas at UMass Lowell, Navitas at WKU, Navitas at UNH, NIC, PIBT, PUIC, QIBT, SAIBT, SIBT and UCIC only.

Certificate programmes may also be known or registered as Foundation Studies or University Transfer Programme Stage I. Diploma programmes may also be known or registered as Undergraduate Pathway, University Transfer Programme (UTP), University Transfer Programme Stage II, University Pathways Programme.

The Navitas bursary is not applicable to any English language programme or any component of an English language programme offered by a Navitas member institution.

Navitas academic merit awards are offered to students studying in the UK at CRIC, EIC, HIC, ICP, ICRGU, ICWS, LBIC, PUIC and BCUIIC only. This information is correct as at the time of printing and may be subject to change without notice or at the discretion of Navitas member institutions or Navitas Limited.

## English language entry requirements

## Further information online

### Academic and English entry requirements: [hic.navitas.com/apply-now/admissions-requirements](http://hic.navitas.com/apply-now/admissions-requirements)

For a guideline to the academic requirements for entry into HIC: Foundation, First Year Degree or Pre-Masters. Please note:

- HIC will only consider academic subjects when determining a student's average performance.
- Not all qualifications and countries are listed and students with other credentials are encouraged to apply.
- There is no application fee to apply to HIC.
- HIC welcomes mature-age students (21 years or above) and considers relevant employment experience if supporting documentation is provided.
- Admission to the College, is based on a range of factors (eg financial background, study profile, etc).

### Policies and procedures: [hic.navitas.com/privacy-policy](http://hic.navitas.com/privacy-policy)

HIC has a number of policies and procedures in place to comply with quality, regulatory and legislative requirements. These processes form a framework to ensure that HIC delivers a high-quality service to its students. Important policies include:

- Student handbook
- Conditions of enrolment
- Attendance
- Grievance, complaints and appeals
- Academic performance

### International student visas: [hic.navitas.com/students/international-students](http://hic.navitas.com/students/international-students)

All international students must possess a current student visa while they are studying in the UK. This Information does not apply to prospective students who are EU citizens. Visit our website for answers to these and more visa FAQs:

- One visa for all your studies
- How long is my visa valid for?
- How do I apply?
- Can I work in the UK while on a student visa?
- What are the visa requirements?
- What if I have dependants?
- What are the visa conditions?
- Do I need health insurance?

### Conditions of enrolment and fee information: [hic.navitas.com/apply-now/conditions-of-enrolment](http://hic.navitas.com/apply-now/conditions-of-enrolment)

The extract is indicative and is provided to applicants for information purposes only. The extract does not constitute a binding agreement. Successful applicants will receive enrolment terms of offer which, together with the letter of offer and acceptance of offer, form a binding agreement between Hertfordshire International College (HIC) and the recipient of an HIC letter of offer.

### How to apply: [hic.navitas.com/apply-now](http://hic.navitas.com/apply-now)

You may apply to HIC directly or through an HIC representative in your home country.

- For a list of authorised HIC representatives, please visit [hic.navitas.com/hic-representatives](http://hic.navitas.com/hic-representatives). Early application and payment will secure your place in your chosen course and allow you enough time to obtain a student visa.

### Accommodation options: [hic.navitas.com/students/accommodation](http://hic.navitas.com/students/accommodation)

University of Hertfordshire offers a variety of accommodation options to suit your individual lifestyle and budget. These options include:

- HIC accommodation service
- Airport pick-up
- Options if you are under 18 years of age
- University of Hertfordshire residential accommodation
- Off-campus accommodation

University of Hertfordshire fees are a guide only and are subject to change.

For the most up-to-date fee listings, visit [herts.ac.uk/courses/fees-and-funding](http://herts.ac.uk/courses/fees-and-funding) and follow the link to 'International students'.

"The most impressive thing about HIC is the small size of the classes; everyone gets personal attention from the lecturers. I love the environment because it is away from the hectic city. I decided to study business because I want to own my own company in the future."

## Education for your world

### Creating opportunities for success

Navitas provides you with the education you need, to get where you want to be in life. From English language skills and courses to help you enter university, to training for the workplace, Navitas colleges and campuses in 28 countries will support you every step of the way.

With over 110 Navitas and SAE Institution locations across the globe, and over 80,000 students currently studying with us, we understand the world's learning needs.

We've become one of the most trusted providers of education and training in the world.

Navitas offers to students, professionals and migrants from around the world, the following opportunities:

- English language training
- High school studies
- University preparation and programs
- Post-secondary education for creative media technology

- Career advancement programs
- Student recruitment
- Internship programs
- Migrant settlement services

We also offer customised workplace training for companies, and a range of training and settlement services for the Australian government. Wherever you are, and wherever you want to be, the knowledge and resources of our staff around the world will ensure your success.
