WELCOME FROM THE VICE-CHANCELLOR OF CURTIN UNIVERSITY

Professor Jeanette Hackett
Vice-Chancellor
Curtin University

Established in 1987, Curtin University is an innovative and entrepreneurial university. Curtin University's main campus is the largest university in Western Australia and welcomes students from more than 130 countries across Europe, Asia, Africa and the Americas. Curtin's international presence is highlighted throughout the Asia-Pacific region, with campuses in Perth, Singapore, Sarawak and Sydney, as well as partnership agreements to offer courses at educational institutions in Hong Kong, China, Malaysia, Mauritius, Sri Lanka, Vietnam and Indonesia. The University has developed strong, long-term partnerships with more than 90 institutions worldwide, which can lead to opportunities in career development, travel and further study.

Curtin's industry connections ensure all courses are aligned with the latest industry trends. With identical course structures across locations when the same course is available, students can also transfer between campuses with no interruption to their studies. This unique opportunity adds a rich and valuable dimension to students' studies.

Curtin University Sydney continues the University's commitment to providing excellence in teaching and learning, and furthers our aim of developing regional activities that contribute to social, cultural and economic development. Curtin University Sydney is committed to producing graduates who are career-ready, with the Curtin Career Advantage program available to all students who have completed their first trimester of study. Close links with corporate business, industry, government and the community take students beyond the classroom and into the real world. With access to leading business and employer networks and support through their studies, students are encouraged to make the most of their time at university.

Curtin University Sydney is part of a successful collaboration with Navitas Limited, which has run Curtin College on our main campus in Perth in Western Australia since 2000.

We look forward to welcoming you to Curtin University Sydney soon.

THE CURTIN UNIVERSITY SYDNEY CAMPUS

Dr Mahendra Chandra
BBus ECowan, MCom Curtin, PhD WAust
Campus Director
Adjunct Professor
Curtin University Sydney

The best of both worlds! A quality education from a leading Australian university in one of the world's great cities—that's what Curtin University Sydney has to offer. With a global reputation for excellence, Curtin offers programs that are contemporary and reflect industry trends and demands. By studying at Curtin University Sydney, you will be prepared for a rewarding career. Well-qualified, experienced teaching staff foster an environment that encourages students to engage with their studies and excel in them. Smaller classes, excellent support and good infrastructure add to the rich student experience we offer.

The Curtin University Sydney Campus is also home to our pathway provider, Curtin College Sydney. Curtin College Sydney offers the Diploma of Commerce, a direct pathway into the second year of the Bachelor of Commerce for students who may not meet the entry requirements for direct entry and seek a more supportive study environment.

Sydney offers residents and visitors a friendly and cosmopolitan lifestyle. As a Curtin student, you have a wonderful opportunity to take part in all that the city has to offer while undertaking an internationally recognised degree. The centrally located campus has modern teaching and learning amenities with comfortable classrooms, excellent computer facilities and access to Curtin University's extensive library resources. You can even enjoy our rooftop terrace.

We look forward to welcoming you to this wonderful city and campus.

FAST FACTS

Curtin University Sydney is located in the heart of Sydney - 2 minutes' walk from Central Station and only 10 minutes' drive from Harbour Bridge and the Opera House.

Join the Global Network

As a Curtin University Sydney student, you have the option of transferring to any Curtin campus that offers a compatible program of study. Curtin University's main campus is in Perth, Western Australia, and you are also able to transfer to either the Singapore or Sarawak campuses.

PERTH, WESTERN AUSTRALIA

Curtin University's main campus is based in Bentley and offers a wide range of programs across four main study areas. Close to public transport and just six kilometres from the centre of Perth, the Perth Campus is 116 hectares in size and has on-campus accommodation for 1,175 students.

The Perth Campus is a constant hub of student activity, with a medical centre, childcare, banking facilities and a wide range of food outlets, as well as several social and recreational facilities.

SYDNEY, NEW SOUTH WALES

Curtin University Sydney was established in 2005 and is operating in partnership with Navitas Limited. The specialist management skills

of Navitas complement Curtin University's international reputation for the delivery of quality education. With Sydney being the financial hub of Australia, Curtin University Sydney business and management students are best placed to become part of the international business community.

SINGAPORE

Curtin Singapore was established in 2008 and offers a variety of undergraduate and postgraduate programs. Singapore's stated intentions of being Asia's premier education hub and its well-known education system makes Curtin Singapore an excellent choice for students seeking a university degree while living in Asia. Singapore is

a safe, multicultural and vibrant city that embodies the finest of Eastern and Western culture. Curtin Singapore students are part of an exciting campus that gives them access to Asia and beyond.

MIRI, SARAWAK, MALAYSIA

Curtin Sarawak is Curtin's first offshore campus and was established in 1999 in partnership with the Sarawak Government. Located in Miri, Sarawak, the campus was the first foreign university campus in East Malaysia. Curtin Sarawak is an impressive campus with fully equipped laboratories and teaching facilities, which provide an ideal educational environment for students from Malaysia and other countries.

5 Reasons to choose Curtin University Sydney for your studies

You have decided to study overseas—the first step towards an international career. To succeed in the global corporate community, you need to achieve academic excellence and learn how to apply your theoretical knowledge in practice. Curtin University Sydney programs combine theory with practical experience, and as a Curtin University Sydney graduate, you will be best placed to enter the international business community with confidence.

1. STUDY IN AN IDEAL LOCATION

Curtin University Sydney offers pathway, undergraduate and postgraduate degree programs. The programs offered by Curtin University Sydney have the same structure and content as the programs offered on the main campus in Perth. By gaining a Curtin University education in the heart of Sydney, you will be exposed to a vibrant business environment from the moment you arrive. Located close to Central railway station and Chinatown, the campus is based in a thriving entertainment and shopping district with a range of dining, shopping and accommodation options.

2. JUMP-START YOUR CAREER WITH THE CURTIN CAREER ADVANTAGE

The Curtin Career Advantage program is designed to produce work-ready graduates, well-equipped to face the challenges of working in an Australian or international work environment. The program consists of a series of preparatory workshops, an internship placement and a post-internship career coaching session.

The Curtin Career Advantage is unique to Curtin University Sydney and is conducted by qualified professionals and industry experts. After successful completion of the program, you will receive reference letters from the university and your employer to add to your resume.

3. ENJOY SMALL CLASS SIZES AND PERSONAL ATTENTION

Curtin University Sydney has small classes that facilitate a supportive learning environment for all students. Tutorials at Curtin University Sydney have a maximum class size of 25, and lectures have a maximum of 50 students at undergraduate level and 75 at postgraduate level. Curtin University Sydney's small class sizes encourage a personalised learning environment by increasing interaction between lecturers and students. This ensures you will receive personalised attention during your studies and allows our lecturers to identify and assist any student who requires additional help, to facilitate high academic achievements and a great cross-cultural experience.

4. FAST-TRACK YOUR STUDIES

Curtin University Sydney offers our students the opportunity to fast-track their studies. By studying on a trimester basis, students can complete their undergraduate study in just two years. With our flexible start dates in February, July and November, you can start studying with us when it suits you. Depending upon the level of your previous studies, Curtin University Sydney may also recognise your past academic study and relevant work experience, enabling you to gain credit exemptions for your course.

5. ACHIEVE ACADEMIC EXCELLENCE

Curtin University Sydney recognises and celebrates academic achievements. Every trimester, we award two academic scholarships to our top performing students. The Curtin University Sydney Academic Merit Scholarship is a full scholarship for the last trimester of study at Curtin University Sydney. We believe it is important to support and recognise those students who represent the Curtin vision of excellence.

Chinatown

MAKE THE MOST OUT OF YOUR STUDY EXPERIENCE

FAST FACTS

The Curtin University Sydney campus is located close to Chinatown, where you can enjoy a range of restaurants, shopping and entertainment options during their free time.

Uni life, working life, Sydney life

Curtin University Sydney offers you a range of services and support programs to enhance your career prospects, lifestyle, learning and wellbeing, and to make your time with us as enjoyable and productive as possible.

CAREER

Academic and career-focused workshops are offered on campus at no additional cost. We will assist you to develop skills to excel in your studies and find a job. Curtin University Sydney Student Services will provide you with additional support if needed to help you achieve your goals. For example, Student Services can organise a place for you in the Curtin Career Advantage program (see page 15 for more information).

COMMUNITY AND STUDENT LIFE

Student life is an important part of your university experience. Getting involved inside and outside the classroom will enrich your academic, professional and personal development. The Curtin University Sydney Student Guild activities give you the chance to meet new people, experience new activities and find your place in the Curtin University Sydney community.

A COSMOPOLITAN LIFESTYLE

Sydney is the capital city of New South Wales and is located on the south-east coast of Australia. Situated on a breathtaking natural harbour, more than four million people from over 180 countries call Sydney home. Surrounded by spectacular scenery—from steep cliffs and white beaches, to wild bushland and lush national parks—the city spreads from the harbour in a fusion of cultures and lifestyles.

Sydney's mild climate will provide you with access to a thriving outdoor life. The city is alive with markets, parks, beaches, shopping, sightseeing and entertainment districts that are internationally celebrated.

COST OF LIVING

Living costs vary according to taste, interest and finances. You should set a budget based on your individual needs with flexibility to allow for changes. Sydney is a large city, with a range of options to suit the lifestyle you may choose. We advise budgeting a minimum of A\$18,610 (as calculated by the Australian Government) per year to cover essential living expenses. Note: For more information refer to immi.gov.au/students/student-visa-living-costs.htm

INTERACT WITH PEOPLE FROM ALL AREAS OF LIFE

FAST FACTS

Curtin University Sydney welcomes students from all over the world, including Australia, China, South East Asia, the Subcontinent, Europe and the Americas.

Accommodation

Live and study in one of the most cosmopolitan and picturesque cities in the world. Experience a vibrant arts culture, superb shopping and a pleasant climate while you gain an internationally recognised university education. Meet students from around the world living in student accommodation in close proximity to Curtin University Sydney or choose from a range of independent options located nearby.

ACCOMMODATION OPTIONS

Sydney boasts a diverse range of accommodation options. Rental prices will vary depending on the type and location of the accommodation you choose.

You may choose to live with an Australian family, in student lodging, or rent an independent apartment. Whatever you decide, we suggest arranging your accommodation as early as possible—preferably as soon as you have accepted your place at Curtin University Sydney.

If you have not decided where you would like to live in Sydney, a booking of four weeks with Homestay Network Australia will guarantee you somewhere to stay upon arrival, while you make more permanent arrangements. Airport pickup can be arranged with your chosen accommodation provider.

Managing your finances

Living in Sydney can be an exciting and rewarding experience. With so many choices at hand, it is important you plan your budget to ensure you make the most of your time in Australia.

To get the best start, we recommend you bring at least A\$800 cash and have access to another A\$2500 during your first week in Australia. You will need this to pay bond money (property security) and rent in advance. Costs associated with electricity, gas and telephone services are usually paid later. Your living costs will depend on your taste, interests and financial position. You should plan a budget to suit your needs, but make sure it is flexible enough to allow for changes. If you want to buy a car, make sure you consider additional expenses such as petrol, insurance and licensing costs.

BUDGET

You will need to purchase items such as textbooks and stationery so you should plan ahead to cover these costs. You should budget an extra A\$350 per year for items such as photocopying and course-related incidental costs. Textbooks and reference books will cost an additional A\$150–400 each trimester. The cost of books can vary considerably depending on the course and units you choose. For cheaper textbooks, look out for secondhand book sales on campus.

STUDENT EMPLOYMENT

While completing your studies at Curtin University Sydney, you can work part-time to gain important industry experience, meet new people and get involved in life in Australia. Your student visa allows you to work in Australia once you have commenced your course. You should be careful to ensure part-time employment does not distract you from your studies. Part-time employment should not be relied on to pay for your tuition fees or other living expenses. For full information on your study visa working rights, visit immi.gov.au/students/students/working_while_studying

Please note: the Department of Immigration and Citizenship (DIAC) requires students to have sufficient funds to support living expenses for the duration of their studies.

For more information, visit immi.gov.au/students/student-visa-living-costs.htm

The Curtin Career Advantage

The Curtin Career Advantage program is unique to Curtin University Sydney and offers you more than just an internship placement. With work preparation workshops and post-internship screening sessions, Curtin University Sydney prepares you to enter the international workforce with confidence and gives you a competitive advantage after the completion of your degree.

WHAT IS THE CURTIN CAREER ADVANTAGE PROGRAM?

The Curtin Career Advantage program is designed to produce career-ready graduates, well-equipped to face the challenges of working in an Australian or international work environment. The program consists of a series of preparatory workshops, an internship placement and a post-internship career coaching session. The program is conducted by qualified professionals and industry experts.

YOU CAN BE IN
ANY CAREER
AND BE A
PROJECT MANAGER

Project management

Project management is the application of knowledge, skills, tools and techniques to plan activities to meet project requirements. Project managers can be found in all industries. As a qualification, project management is growing in demand as company hierarchies change from pyramids to matrices and the duties of single employers become more complex. Project management is becoming increasingly critical as big businesses across multiple industries struggle with their ability to deliver projects on time while managing budgets, efficiencies and deliverables.

PROJECT MANAGEMENT AT CURTIN UNIVERSITY SYDNEY

Curtin University's Master of Science (Project Management) covers all aspects of project planning, development and execution. Risk analysis, cost management, succession planning and key strategic managerial principles are studied in detail to ensure students are ready to enter industry upon graduation. Curtin University Sydney also promotes networking events for the Sydney Chapter of the Project Management Institute of Australia (PMI) on campus.

Project managers are in high demand across a number of industries, including engineering, IT, health, and public sector. With experience, a capable project manager may be eligible for promotion to a senior role, such as a group manager or a group director.

PREREQUISITES

The Master of Science program requires a bachelor degree from a recognised tertiary institution.

PROFESSIONAL RECOGNITION

Project management degrees from Curtin University Sydney are accredited by the Project Management Institute (PMI) through the Global Accreditation Centre for Project Management Education Programs (GAC), and are endorsed by the Australian Institute of Project Management (AIPM).

Information is correct as at August 2013 and is subject to change.

The tuition fees (shown in Australian dollars) are based on a normal full-time workload of 100 credits (4 units) per trimester unless otherwise stated*. Course changes will attract fee rates applicable at that time. A student should expect that the indicative trimester course fee, as shown on the Letter of Offer, might vary from the actual tuition fee according to the units (subjects) undertaken.

The indicative fee is a guide as to what the actual tuition fee will be, because the actual tuition fee is not calculated until enrolment is completed. To calculate the actual course fee, you can refer to the unit (subject) fee that is listed at sydney.curtin.edu.au.

Students will not be permitted to commence or continue their course at the beginning of any trimester until all outstanding fees, charges or accounts are paid. Students will be charged the full amount for repeating units.

Fees are set each year and are payable before each trimester. A provider must not require any remaining fees earlier than two weeks before the start of the student's second study period. The initial rate will apply for the academic year of enrolment but may be subject to change in subsequent years in accordance with the rate set by the University Council. All fees, charges and accounts will be payable in advance as determined by Curtin University Sydney.

** In the Master of Science (Project Management), 75 credits are considered a full time work load.*

STUDENT REFUND AGREEMENT

Total refund: Where an offer of a place is withdrawn or the University is unable to provide a course, all tuition fees are fully refundable. If the offer was made on the basis of incorrect or incomplete information supplied by the applicant/student, the University reserves the right to retain ten per cent of the tuition fee for one trimester. For new prospective students with conditional offers, if conditions stipulated in the Letter of Offer cannot be met, all tuition fees are refundable.

Partial refund: New students who, after accepting an offer of a place, give at least ten weeks' notice prior to commencement of the study period that they are unable to take up the offer, will receive a refund of tuition fees paid, less an administrative fee of A\$550.

New students who, after accepting an offer of a place, give less than ten weeks' notice prior to commencement of the study period that they are unable to take up the offer, will receive a refund of tuition fees paid, less ten per cent of tuition fees for one study period. New students who withdraw from the enrolled course after the commencement of the study period but prior to the census date will receive a refund of 50 per cent of tuition fees paid for the trimester. New students with an initial enrolment greater than 75 credits in the trimester, who subsequently reduce their study load to 75 credits for any reason prior to the census date, will receive a credit of the tuition fees paid in respect of the unit/s from which they have withdrawn. The credit shall be used towards future studies at the University.

No refund: Where fraudulent or forged documentation has been presented, the full first study period tuition fee will be retained by the University. New students who withdraw from a course or units after the census date shall not be eligible for a refund.

A census date is the date at which an enrolment is considered to be final. Withdrawals after the census date will incur an academic penalty (for example, a fail grade) and a financial penalty (for example, no refund of your study contribution or tuition fees). The census date for courses offered is the Friday of week two of classes.

Frequently asked questions

WHAT IF I AM UNDER 18 BUT STILL WISH TO STUDY AT CURTIN UNIVERSITY SYDNEY?

When students under the age of 18 are not being cared for in Australia by a parent or suitable nominated relative, it is the responsibility of Curtin University Sydney to ensure appropriate arrangements are made to protect the personal safety and social wellbeing of those students.

WHAT IF I HAVE DEPENDANTS?

If you are a prospective international student and you have any school-aged dependants coming to Australia with you, you must pay full fees for each dependant who is to be enrolled in a government or non-government school.

DO I NEED HEALTH COVER?

As a condition of your student visa, you must maintain visa-length Overseas Student Health Cover (OSHC) while in Australia. You must obtain this cover for the proposed duration of your visa. If you have an accident or health problems within Australia, you will be able to redeem some or all of your medical costs. Curtin University Sydney can organise OSHC on your behalf to cover the duration of your studies. Further details will be provided in your letter of offer. For more information, visit oshcworldcare.com.au

WHAT ARE MY VISA CONDITIONS?

To maintain your visa, you must:

- study full-time while in Australia
- maintain satisfactory academic progress
- maintain a valid enrolment at Curtin University Sydney and notify Curtin University Sydney if you change your visa status
- immediately advise Curtin University Sydney if you change your Australian address
- have enough money to cover tuition fees and living expenses while in Australia
- maintain valid Overseas Student Health Cover
- not transfer between registered education providers within the first six months of the starting date of your principal course, without a release letter from your original education provider.

For more information about visa conditions and regulations, visit the Department of Immigration and Citizenship (DIAC) website.

Scholarships and bursaries

Contact a registered Curtin University Sydney agent in your country to learn more about temporary scholarship options you might be eligible for.

CURTIN UNIVERSITY SYDNEY ACADEMIC MERIT SCHOLARSHIPS

Curtin University Sydney offers two scholarships each trimester to outstanding achievers. These scholarships are based on academic excellence and issued to students with the highest Semester Weighted Average (SWA) results.

The process below outlines the identification and award of these scholarships:

1. Academic results are collated by Curtin University Sydney (Academic Division). A Board of Examiners (BOE) convenes at the Bentley Campus to ratify the results. Once the results are confirmed by the BOE and sent back to Curtin University Sydney, the process of identifying potential scholarship recipients begins.
2. A selection panel that includes the campus director, marketing director and academic manager shortlists the candidates based on their SWA. Other factors, such as participation and contribution to student activities and leadership, can be considered when candidates are tied for an award.
3. The selection panel will identify the top performing students at undergraduate and postgraduate level. The panel has the discretion to allocate the two scholarships at either full or partial levels. The panel will make the decision on scholarship value based on the criteria mentioned above.

NAVITAS BURSARY

Navitas offers financial support in the form of family bursaries. A bursary applies where two or more students from the same family study with a Navitas member institution.[^] The first family member can be studying with a Navitas member institution at the same time as other family members, or they may have previously studied with any Navitas member institution. For the purpose of this bursary, a family member is defined as a husband, wife, brother, sister, mother, father, son, daughter or stepchild.

The bursary is granted to the second and subsequent family members who study with a Navitas member institution. The bursary is equivalent to 10 per cent of tuition fee for the first attempt at units in the program of study (i.e. certificate[#], diploma[#], bachelor degree, pre-master program/PQP or master degree with a Navitas member institution, excluding mixed English option) and is credited to the eligible student's tuition fee account each trimester (the amount being relevant to the number of units undertaken in that trimester). The bursary does not apply to additional units or repeat units that may also be undertaken.

[^] The Navitas bursary is not applicable to the English language program or any component of any English language program offered by Navitas member institutions.

[#] Diploma programs may also be known or registered as undergraduate pathway, University Transfer Program Stage II or University Pathway Program Stage II.

The Navitas scholarship and bursary is offered to students studying at ACN, BCUC, Curtin College, Curtin University Sydney, Curtin Singapore, CRIC, EIBT, EIC, Eynesbury, FIC, HIC, ICM, ICP, ICRGU, ICWS, La Trobe Melbourne, LIBT, Macquarie City Campus, MIBT, MIBT Indonesia, NIC, PUIC, PIBT, QIBT, SAIBT, SIBT, Navitas at UMass Boston, Navitas at UMass Dartmouth, Navitas at UMass Lowell, Navitas at WKU and Navitas at UNH only.

Correct as at time of printing and subject to change without notice or at the discretion of the Navitas member institute or Navitas Ltd.

APPLICANT'S DECLARATION AND SIGNATURE

I declare that I have read the instructions on this application form and that the information I have provided is complete and correct. I understand that the information collected on this form is to enable Curtin University Sydney to assess my application, create a record on its student database, undertake statistical analysis, meet statutory reporting requirements and further inform me about the course to which I am applying as well as the University's other courses/events. The information will be accessed by University officers strictly for these purposes and disclosed to state and Australian Government agencies where required by law and the Tuition Protection Service (TPS). Pursuant to obligations under the Education Services for Overseas Students Act 2000 and the National Code of that Act, and to contractors (such as mail houses) engaged by the University to perform services on its behalf. Where personal information is to be provided to contractors, the University will require that confidentiality agreements be first entered into.

I accept that information supplied in this application may also be made available to a Curtin University Sydney overseas representative to provide assistance with my application and the University's preferred Overseas Student Health Cover provider to assist with effecting health insurance.

I understand that if I do not complete all the questions on this form, it may not be possible for the University to process my application. I authorise Curtin University Sydney to obtain further academic information or official student records from any educational institution or recognised educational qualifications assessment body necessary and/or, where my work experience is relevant, to verify my employment history for the purpose of making an informed decision about my application.

In the case of postgraduate applications, I understand that the services of QualSearch may be engaged to verify my qualifications. I further understand that Curtin University Sydney is not responsible if any educational body/institution does not supply these records, that the results of this search may be made available to me on request and an audit of this authority may also be undertaken. If I do not meet all the University's entry requirements, I authorise the University to provide my full application to Curtin University Sydney approved pathway providers (e.g. Curtin College Sydney) for consideration for the preparatory program (foundation/diploma). I understand that successful completion of this program will help qualify me for admission into specified courses of Curtin. I understand that I have the right to access and amend personal information that Curtin University Sydney holds about me, subject to legislation, by contacting the freedom of information coordinator at foi@curtin.edu.au.

I acknowledge that Curtin University Sydney reserves the right to vary or reverse any decision regarding admission made on the basis of incorrect, incomplete or fraudulent information.
