Why study at Eynesbury?

- Eynesbury provides a diverse range of higher education pathways that successfully prepares students for studies at the University of South Australia.

- The University of South Australia is in the top three percent of universities in the world (Source: 2012 QS World University Rankings).

- The University of South Australia is the largest university in South Australia, with 36,000+ students and over 300 undergraduate and postgraduate programs.

- Adelaide is Australia's most affordable mainland capital city (Source: Economist Intelligence Unit 2013).

YOUR PATHWAY TO SUCCESS

Founded in 1989, Eynesbury has an outstanding record of academic achievement and is experienced in delivering programs tailored for international students. Eynesbury incorporates Eynesbury College, Eynesbury College Academy of English and the Eynesbury Institute of Business and Technology. Together, they offer a range of programs and educational pathways to tertiary studies at the University of South Australia. Eynesbury is part of the global Navitas Group, an internationally recognised education provider with more than 110 different colleges and campuses worldwide.

Message from the University of South Australia Vice-Chancellor

The University of South Australia is a modern and innovative institution built on more than 150 years of research, teaching and learning excellence.

We have worked with Eynesbury for many years to provide opportunities for students who might not otherwise be able to study at university, and therefore benefit from the opportunities tertiary education delivers – the development of enduring friendships and networks, critical and independent thinking skills, and up-to-the-minute knowledge of a chosen professional field.

I encourage you to consider Eynesbury as a pathway to the University of South Australia, and I wish you every success in your future studies.

Professor David Lloyd
Vice-Chancellor and President
University of South Australia

Message from the Eynesbury College Director

At Eynesbury, we welcome the opportunity to assist our students to achieve their personal goals and realise their full potential.

Eynesbury is committed to offering choice, diversity and flexibility of pathways in education. Our staff provide the personal encouragement and individual tuition that most international students need when they first live away from home.

Eynesbury also offers a full range of student support services, including academic and vocational counselling, homestay and accommodation at international student residences.

Adelaide is a wonderful place to live and study, and I am confident that you will enjoy your Eynesbury experience.

Peter Millen
College Director
Eynesbury

University of South Australia

The University of South Australia is a leading provider of international education and home to world-class research collaborations, with a fundamental commitment to excellence and equity.

The University of South Australia offers more professional education programs than any university in South Australia and is a national leader in collaborative and industry-relevant research. It is home to the state's largest student population of more than 33,000.

Students learn in modern and high quality facilities on each of the four University of South Australia campuses in Adelaide: City West, City East, Magill and Mawson Lakes. The University of South Australia also has two regional sites in Whyalla and Mount Gambier.

Extensive campus facilities include 24-hour computer pools, security, support services, student clubs, cafes and sporting facilities. A Campus Central service centre is located on each campus for students seeking help with all aspects of university life.

The University's key strengths lie in the areas of: Business; Education, Arts and Social Sciences; Health Sciences; and Information Technology, Engineering and the Environment. The University maximises international links to remain at the forefront of research and teaching, and recruits professionals from across the world with leading expertise in their specialty fields.
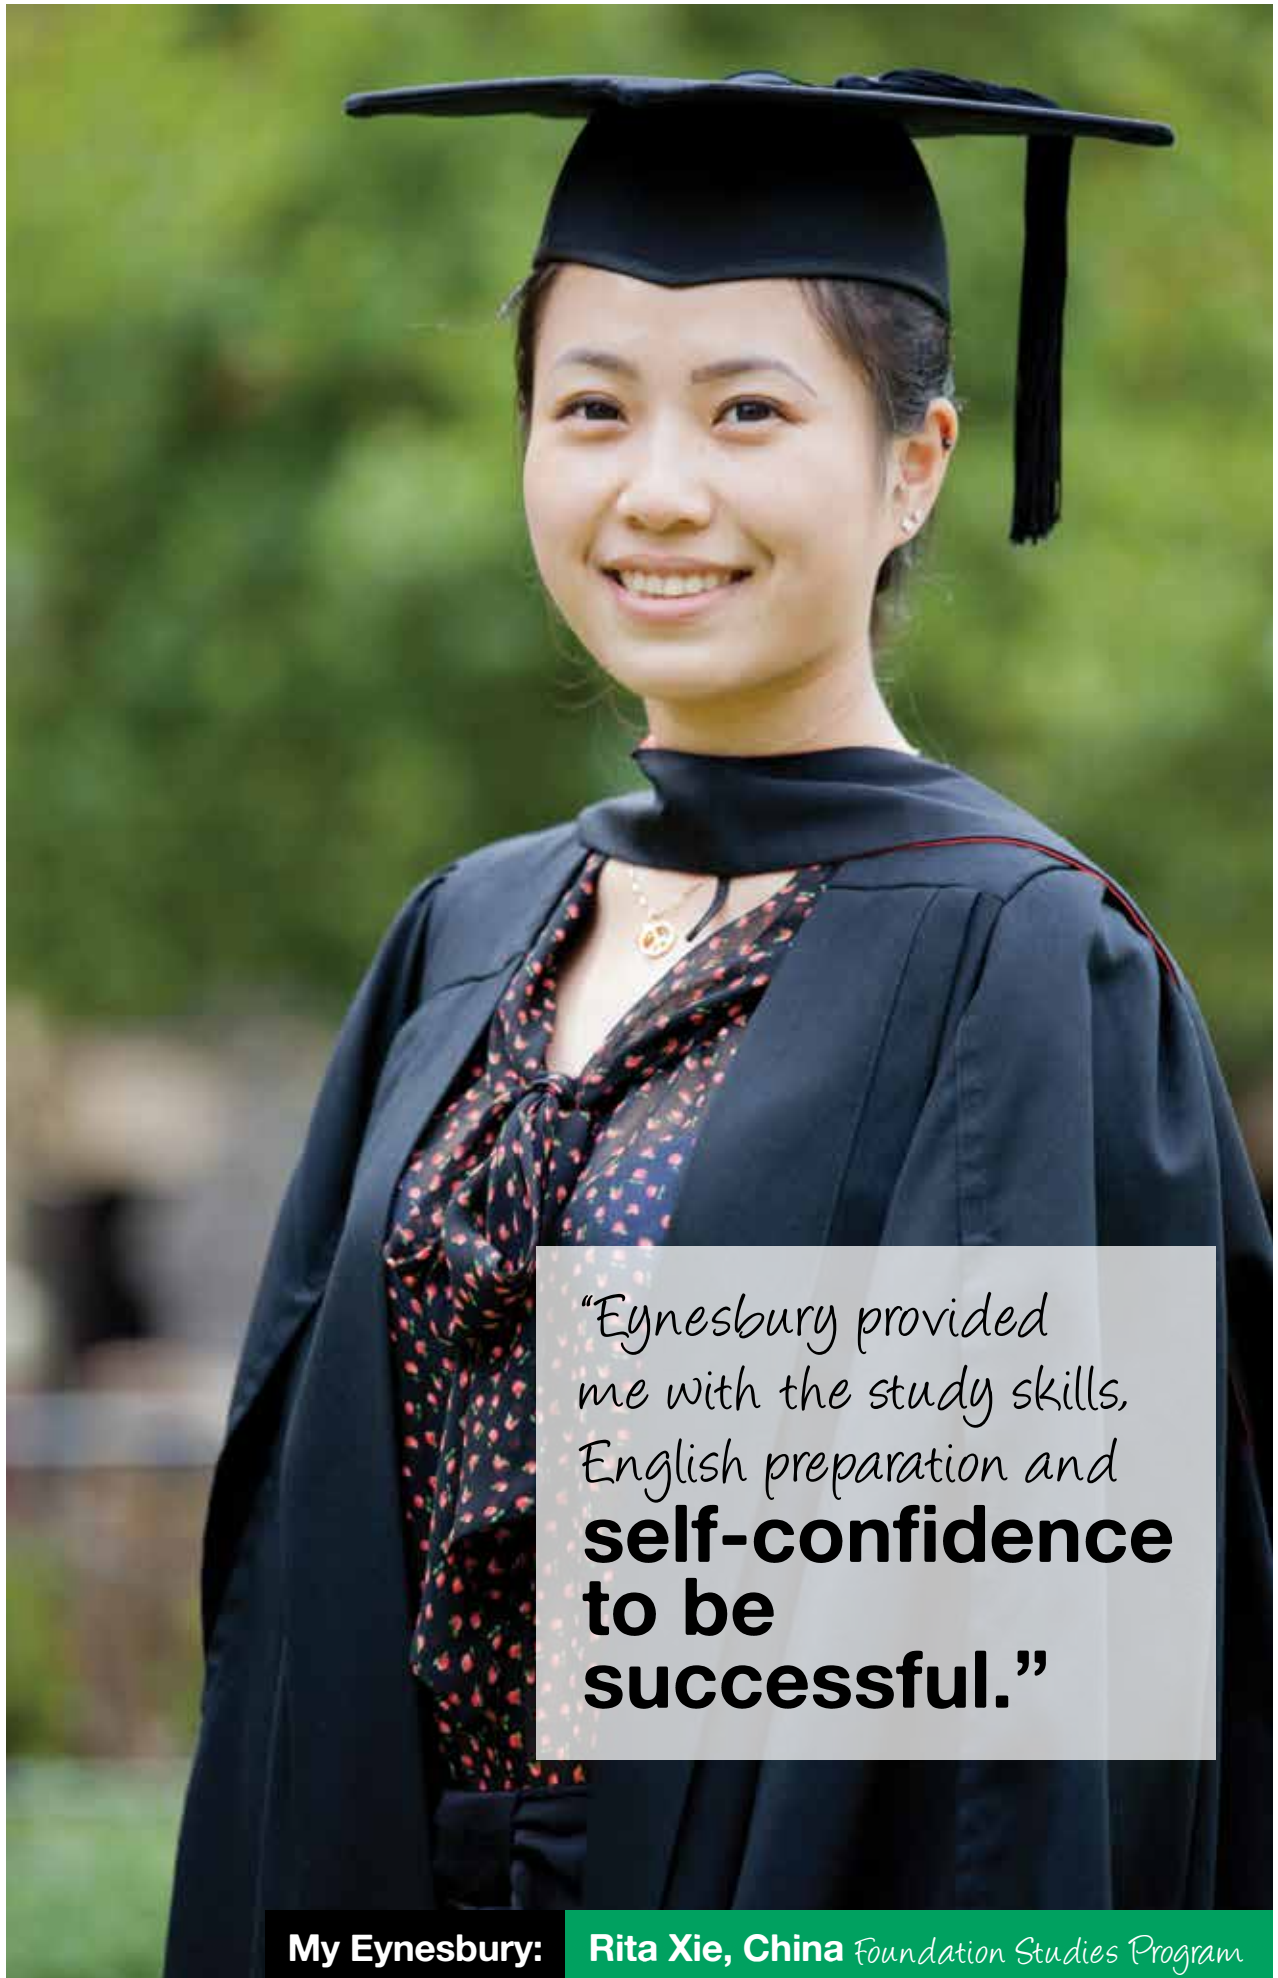

The University of South Australia is a research leader, ranking in the top third of Australian universities for research. The 2012 Excellence in Research for Australia (ERA) assessment exercise revealed that 86 percent of the University of South Australia research assessed at the discipline level is of a world-class standard or above.

The University works very closely with industry when designing and updating its academic programs, which is a major reason graduates have high employment rates.

Facts and achievements

- The University of South Australia is in the top three percent of universities around the world, according to the 2013 QS World University rankings.
- The University of South Australia is ranked in the world's top 50 under 50 years of age in both the QS (42) and Times Higher Education (49) world university rankings.
- The University received an overall ranking in the top five of 28 Australian institutions in the 2013 International Student Barometer.
- The University is the highest ranked university in Australia for the international diversity of its academic staff and ranked sixth in the world.

"Eynesbury provided me with the study skills, English preparation and **self-confidence to be successful.**"

My Eynesbury: **Rita Xie, China** *Foundation Studies Program*

City campuses

City East Campus

Situated in the vibrant heart of Adelaide in the CBD, the City East Campus is located on the corner of North Terrace and Frome Road. The campus offers an abundance of hands-on learning opportunities, services, and social and leisure activities to complement your academic pursuits.

The campus is home to the University's Division of Health Sciences, SAIBT and the Centre for English Language in the University of South Australia (CELUSA).

City West Campus

Located in Adelaide's major arts, culture and entertainment precinct, City West provides a hub for artists and academics alike, and an atmosphere that is ripe for the exploration of ideas and the pursuit of excellence. The campus is located on the western edge of the CBD, just a short stroll along North Terrace from Adelaide Railway Station.

Situated on the campus is the University of South Australia Business School and selected programs from the Division of Education, Arts and Social Sciences.

Mawson Lakes Campus

Located in one of Adelaide's premier developing suburbs, the Mawson Lakes campus boasts contemporary teaching, learning and state-of-the-art research facilities. The campus is located 20 minutes from the Adelaide city centre, on Mawson Lakes Boulevard in Adelaide's northern suburbs.

Mawson Lakes is well known for its computing and information technology, engineering, science, civil aviation, applied science, sports science, e-commerce and environmental studies programs.

Magill Campus

Nestled near the Adelaide Hills foothills in the leafy eastern suburbs, Magill campus has lush gardens and open spaces, providing a relaxed and picturesque setting in which to learn and grow.

Magill campus is around seven kilometres from central Adelaide. It is located on St Bernards Road, very close to amenity-rich Magill Road.

The campus is host to programs and research in the areas of communication, journalism and media, information studies, education, psychology, social work and human services, international studies and languages.

Why choose Eynesbury?

Eynesbury has been a registered provider of international programs for more than 20 years. Eynesbury has been successfully preparing students for study at the University of South Australia since 1994.

The Eynesbury advantage

- **Teaching excellence:** Eynesbury teaching staff are specialists in their field and are among the most highly qualified and experienced teachers in Australia.

- **Pre-university and undergraduate degree pathways:** Eynesbury offers international students a comprehensive range of educational pathways to the University of South Australia, including senior secondary studies, Foundation and Diploma programs.

- **Learning environment:** Eynesbury offers a learning environment that is extremely supportive and focused on individual student needs. Eynesbury's state-of-the-art learning facilities means students have access to the tools required to achieve their academic potential.

- **Small class sizes:** Eynesbury's academic classes usually have no more than 35 students and English language classes are restricted to a maximum of 18 students.

- **Campus location:** The Eynesbury Coglin Street and Franklin Street campuses are located in the heart of the city in close proximity to the Adelaide Central Market and Gouger Street restaurant precinct. The campuses are also within walking distance to the University of South Australia City-East and City-West campuses.

- **Campus facilities:** Eynesbury campuses offer wireless technology throughout, kitchen facilities, quiet study areas, student computers and breakout areas for studying or relaxing.

- **Accommodation:** Adelaide is a safe and affordable place to live. Eynesbury's dedicated accommodation team can organise airport pick-up, as well as accommodation allocation and referral services.

Pathways to the University of South Australia

Eynesbury is a specialist institution that offers a modern and dynamic learning experience, and is committed to offering choice, diversity and flexibility of pathways in education. Eynesbury offers a range of pre-university, undergraduate and English Language programs.

Eynesbury Foundation Studies Program

Since 1994 Eynesbury has provided the Foundation Studies Program (FSP) on behalf of the University of South Australia.

Students studying the FSP are given provisional entry into a bachelor degree program of their choice at the University of South Australia. Upon achievement of the required entry score for their nominated degree program, students are given entry into the University for the next intake period.*

For details of entry scores for degrees, please consult the university's undergraduate prospectus at unisa.edu.au.

Certificate IV in Tertiary Preparation Program

The Certificate IV in Tertiary Preparation Program prepares students for entry into an Eynesbury Diploma. It is designed for students who have completed the equivalent of Year 11 at an Australian high school and/or need to undertake further study before starting an Eynesbury Diploma.

Diploma of Business

The Diploma of Business introduces students to the fundamental knowledge required to successfully undertake a key range of business undergraduate degree programs at the University of South Australia.

## Diploma of Computing and Information Technology

The Diploma of Computing and Information Technology provides the necessary skills, knowledge and understanding that enables students to articulate into a range of degree programs from the Division of IT, Engineering & the Environment at the University of South Australia.

Eynesbury College Academy of English

The Eynesbury College Academy of English (ECAE) provides high-quality English Language programs that are taught by qualified Teachers of English to Speakers of Other Languages (TESOL). ECAE is a member of English Australia and accredited by the Australian Government.

Program accreditation

Eynesbury is a registered Higher Education Provider, approved by the Australian Government. The College delivers programs which comply with the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2007 which is established under the Commonwealth Education Services for Overseas Students (ESOS) Act 2000.

Pre-university pathway

Eynesbury High School, Foundation Studies Program → 1st Year Bachelor Program → 2nd Year Bachelor Program → 3rd Year Bachelor Program

Undergraduate pathway

Certificate IV in Tertiary Preparation Program → Eynesbury Diploma → 2nd Year Bachelor Program → 3rd Year Bachelor Program

* Students may not be eligible to select programs with fixed quotas.

Student support services

Eynesbury is committed to helping students achieve their goals by offering comprehensive student support services. Eynesbury has a dedicated team of student support staff that provides a range of advice, information, personal support and counselling to students throughout their studies at Eynesbury.

Eynesbury encourages all students to engage with the student support services the College has to offer and to contact the friendly staff for assistance when needed.

Once enrolled, Eynesbury offers a compulsory orientation program for all new students. During orientation students will:

- choose and enrol in courses and create their own timetable
- meet staff and current students
- get to know new classmates
- receive student ID card
- tour the campus facilities

Student experience program

Eynesbury prides itself on providing an outstanding student experience by integrating events and activities into student life.

Eynesbury's Student Experience Coordinator is committed to offering a wide range of social and recreational activities that enables students to interact with both local and international students more freely. These activities are often where friendships are forged, networks are established and life long memories are made.

The Student Experience program caters to all students, regardless of age and background and involves the following activities:

- barbecues
- bushwalking
- sporting events
- cultural events
- student leadership programs and forums
- job search support and volunteering
- interview skills workshops

"Eynesbury's experienced teachers and friendly staff *made the learning experience so much easier."*

My Eynesbury: **David Putera, Indonesia** *Computing and Information Technology*

Adelaide: the safe and affordable choice for international students

Quality education, affordable living and a vibrant culture make Adelaide the perfect choice for international students.

Adelaide is a safe, friendly, cosmopolitan city with a population of 1.2 million and a relaxed outdoor lifestyle. The city is surrounded by 900 hectares of lush green parklands and is situated only 20 minutes from white sandy beaches.

For three years in succession, Adelaide has remained Australia's most liveable city according to a report released by the Property Council of Australia. Importantly, Adelaide has also been rated Australia's safest city according to statistics compiled for the Suncorp Bank Friendly City Report.

Things to see and do in and around Adelaide

Adelaide is Australia's festival city and prides itself on art and culture. There is plenty to see and do while living in Adelaide:

- Music and cultural festivals and events are popular, with Adelaide hosting local and international acts throughout the year, including the internationally renowned Adelaide Festival of Arts, Adelaide Fringe and WOMADelaide World Music Festival.
- The Adelaide Central Market is the city's most visited tourist attraction offering over 80 stalls and has been the centre for multi-cultural cuisine for over 140 years.
- Adelaide is Australia's food and wine capital, with more restaurants per capita than any other Australian city.
- The city is a popular venue for national and international sporting events, including international cricket matches and the Tour Down Under cycling race.
- Adelaide offers a world-class art gallery and museum, live theatre and music complexes, a vibrant nightclub district and a major entertainment centre.

For more information go to southaustralia.com/events.

Cost of living

The cost of living in Adelaide is lower than in any other mainland capital city in Australia. Living expenses for an international student in Adelaide will vary depending on individual lifestyle, but can be expected to be:

- 25 percent less expensive than living in Melbourne
- 24 percent less expensive than living in Sydney
- 11 percent less expensive than living in Perth
- 10 percent less expensive than living in Brisbane

Climate

Adelaide offers a Mediterranean climate with four distinct seasons that include:

- Warm, dry summers with an average maximum temperature of 35°C
- Cool winters with no snow at an average maximum temperature of 16°C

Adelaide's climate is perfect for enjoying outdoor sporting and social activities.

Standard core courses
• Language and Communication*
• Clear Thinking and Logic
• International Studies

Standard elective courses
Students select 3 courses from their chosen pathway stream subject to availability.

Business
• Accounting
• Economic
• Fundamentals of Mathematics
• Mathematics
• Psychology

Engineering
• Chemistry
• Mathematics

• Additional Mathematics
• Physics

Health Sciences
• Biology
• Chemistry
• Mathematics
• Fundamentals of Mathematics
• Psychology

Humanities
• Politics
• Environmental Studies
• English – Media & Communication Studies
• Modern History
• Psychology

Science
• Biology
• Chemistry
• Environmental Studies
• Mathematics
• Additional Mathematics
• Fundamentals of Mathematics
• Physics
• Psychology

Assessment
• A combination of the 3 elective courses and 3 core course total an aggregate score of 500:
  – 3 x core courses account for 200
  – 3 x elective courses account for 300
• Students must achieve the required score out of 500 for their chosen bachelor program to proceed to the University of South Australia
• overall assessment will be a combination of continuous assessment and final examinations

Extended FSP
The Extended FSP is suitable only for students who need to develop their English language skills or undertake further study in key academic areas. Students in the Extended FSP undertake an additional term (15 weeks) to the Standard FSP students. Upon successful completion of the Extended FSP, students move into the Standard FSP.

Extended core courses
• Academic Writing
• Research and Critical Enquiry
• Mathematics

Extended elective courses
Students select 2 courses relevant to their chosen pathway stream
• Accounting
• Additional Mathematics
• Biology
• Chemistry
• Economics
• Environmental Studies
• Physics
• Psychology

Assessment

Navitas bursaries and scholarships

Navitas family bursaries

Navitas offers financial support in the form of family bursaries. A bursary applies where two or more students from the same family study with a Navitas member institution.*

The bursary is equivalent to 10 percent of the tuition fee of your program of study.†

Navitas academic merit scholarships

Navitas is committed to helping you achieve your career goals by offering scholarships to outstanding students.

Each term, Navitas colleges* award two students with academic merit scholarships.

For more information, talk to an Advisor at your college about how to apply for a merit scholarship or visit individual college websites and search for 'scholarships and bursaries'.

* The Navitas family bursary and academic merit scholarships are offered to students studying at ACBT, AUSI, BCUIC, Curtin College, Curtin University Sydney, Curtin Singapore, CRIC, EIBT, EIC, Eynesbury, FIC, HIC, ICM, ICP, ICRGU, ICWS, La Trobe Melbourne, La Trobe University Sydney Campus, LBIC, Macquarie City Campus, MIBT, MIBT Indonesia, Navitas at UMass Boston, Navitas at UMass Dartmouth, Navitas at UMass Lowell, Navitas at WKU, Navitas at UNH, NIC, PIBT, PUIC, QIBT, SAIBT, SIBT and UCIC only.

† Certificate programs may also be known or registered as Foundation Studies or University Transfer Program Stage I. Diploma programs may also be known or registered as Undergraduate Pathway, University Transfer Program (UTP), University Transfer Program Stage II or University Pathways Program (UPP). The Navitas bursary is not applicable to any English language program or any component of an English language program offered by a Navitas member institution.

This information is correct as at the time of printing and may be subject to change without notice or at the discretion of Navitas member institutions or Navitas Limited.

Further information online

Visit the Eynesbury website:
eynesbury.navitas.com

The website has up-to-date information about all aspects of Eynesbury. Students can join the Eynesbury online community by 'liking' the College on Facebook at facebook.com/eynesbury.

Ask a question:
eynesbury.navitas.com/ask-a-question

Students can contact a member of the Eynesbury team with any questions about studying in Adelaide and receive a response within 24 hours.

Accommodation:
eynesbury.navitas.com/students/accommodation

Eynesbury understands the importance of finding a safe and comfortable living environment in a new city. Eynesbury's dedicated accommodation team can advise and assist students in arranging suitable accommodation that best fits their needs. Eynesbury accommodation options include:

- Eynesbury Homeaway student residence – under 18 years of age
- Homestay
- International student residences

- Student apartments
- Private rentals
- Temporary accommodation

Policies and procedures:
eynesbury.navitas.com/policies

Eynesbury has policies and procedures in place that address academic, financial and welfare issues. These processes form a framework to ensure that Eynesbury delivers a high-quality service to its students.

Conditions of enrolment and fee information:
eynesbury.navitas.com/enrol-today/enrolment-conditions

Students looking to study with Eynesbury can access conditions of enrolment information including fees, refund policy, transfer of provider policy and other conditions via the Eynesbury website.

How to apply:
eynesbury.navitas.com/enrol-today

Applications may be made to Eynesbury directly or through an authorised Eynesbury agent representative. Early application and payment will assist in securing a place in the chosen pathway program and allow sufficient time to obtain a student visa.

Sponsored students only

Name of sponsoring organisation:
Type of sponsorship (e.g. tuition fees, living expenses):

Declaration

The information supplied on this application form will be used by Eynesbury in the enrolment process. I declare the information I have supplied on this form is, to the best of my understanding and belief, complete and correct.

I understand the giving of false or incomplete information may lead to the refusal of my application or cancellation of enrolment. I understand that should I accept any offer of admission there may be field trips and excursions that I will need to attend. I give permission for Eynesbury to obtain official records from any educational institution attended by me. I also authorise Eynesbury to supply any relevant official records to educational institutions to which I am seeking admission and to government bodies. If I have used an Agent to assist me with the completion of this application form, then I accept that this Agent is acting on my behalf and therefore authorise Eynesbury to transmit any information in respect of my application for study and any subsequent study details, including results and attendance, to this Agent.

I understand that I have the right to request Eynesbury (in writing) to cease supplying any information about myself to this Agent and that I can contact Eynesbury to request a copy of Eynesbury's Privacy Policy. I also understand that my fees may increase.

I have also read the section in the Eynesbury brochure relating to the cost of living and I understand that living expenses in Australia may be higher than in my own country and I confirm that I am able to meet these costs. I give my consent (unless otherwise expressed in writing by myself) that my image may be used in Eynesbury and/or Navitas promotional materials.

I understand that any conditions concerning an offer of admission will be contained in the Eynesbury Offer which I will be required to read and sign.

Education for your world

Creating opportunities for success

Navitas provides you with the education you need, to get where you want to be in life. From English language skills and courses to help you enter university, to training for the workplace, Navitas colleges and campuses in 28 countries will support you every step of the way.

With over 120 Navitas and SAE Institution locations across the globe, and over 80,000 students currently studying with us, we understand the world's learning needs.

We've become one of the most trusted providers of education and training in the world.

Navitas offers to students, professionals and migrants from around the world, the following opportunities:

- English language training
- High school studies
- University preparation and programs
- Post-secondary education for creative media technology

- Career advancement programs
- Student recruitment
- Internship programs
- Migrant settlement services

We also offer customised workplace training for companies, and a range of training and settlement services for the Australian government. Wherever you are, and wherever you want to be, the knowledge and resources of our staff around the world will ensure your success.
