YOUR CAREER STARTS HERE

Perth Institute of Business and Technology (PIBT) is your pathway to a degree at Edith Cowan University (ECU). We have successfully bridged the academic and English gap for over 5,600 students to help them achieve their goal of becoming an ECU graduate and look forward to great employment prospects. PIBT is part of the global Navitas Group, an internationally recognised education provider with the knowledge and resources of staff in more than 110 different colleges and campuses worldwide.

Message from ECU's Vice-Chancellor and President

I congratulate you on your decision to enrol at PIBT which provides entry pathways to Edith Cowan University (ECU) for both Australian and international students. At ECU we offer a wide range of courses online, and in state-of-the art facilities, underpinned by top research, delivered by first-class teachers in a supportive and stimulating learning environment.

Our academic work aims to be socially and economically relevant to the communities we serve. Importantly, we strive to model our approach to scholarship in our everyday practices.

I hope you enjoy your pathway to ECU, that your scholarly work is successful and satisfying, and that you make lifelong friends.

Professor Kerry O. Cox
Vice-Chancellor and President
Edith Cowan University

Message from PIBT's College Director and Principal

At PIBT we provide a pathway to Edith Cowan University (ECU). We are passionate about providing a high quality education so that you are university-ready and prepared to successfully complete your ECU degree when you leave PIBT. We have embedded employability skills within our courses so that you can reach your potential and 'get that job'. PIBT is located on ECU's campus with state-of-the-art facilities and provides a supportive, culturally rich and student focused environment to allow you to achieve your academic goals.

By choosing PIBT and ECU you are opening doors to a very bright and exciting future. PIBT will support you all the way with our high quality English certificate and diploma programs which will help you enter university with confidence.

I look forward to meeting you at PIBT and wish you the very best for your future studies and career.

Edith Cowan University: 5-star teaching quality and graduate satisfaction

ECU is known for its award-winning facilities and for being at the forefront of providing innovative education and training solutions. In the 2015 Good Universities Guide, ECU graduates gave the University a 5-star rating for teaching quality, graduate satisfaction and for the generic skills they acquired during their studies. These ratings have been achieved for six years in a row. ECU was also awarded 5-star ratings for Graduate Starting Salary from the Good Universities Guide, 2015.

ECU has more than 23,000 students with around 18,500 undergraduates and 4,800 postgraduates. Approximately 3,600 of these are international students originating from 104 countries, making your ECU experience a truly international and inspirational journey.

PIBT students have access to the full range of services and facilities available to ECU students, including modern well-equipped libraries, bookshops, computer laboratories and 24 hour e-labs. On-campus eateries include a cafeteria and coffee shops offering Western and Asian style meals, as well as halal food. The University also offers a wide range of sporting and recreational facilities.

Recent ECU achievements

News

Construction is well underway on a new building, to be known as Ngoolark. This building is scheduled for completion in late 2014, and will be a one-stop-shop, bringing all student related services under one roof. The building will create an active space with a campus street and a new marketplace enhancing the vibrancy of the Joondalup Campus. This state-of-the-art building will meet the equivalent of a 5-star energy efficiency rating and integrate with other award winning architecture on the Joondalup Campus.

Lecturers

ECU Health and Wellness Institute Director Professor Daniel Galvão has been awarded a Research Fellowship from the Cancer Council Western Australia. The Fellowship will provide $320,000 over four years to further Professor Galvão's research examining how exercise can benefit people undergoing cancer treatment.

Congratulations to ECU Advertising Lecturer Diane Slade for her recognition as a champion of industry by the International Advertising Association (IAA). Ms Slade's achievement was announced at the Association's 75th Anniversary Leadership Forum in London last year. Coordinating ECU's Advertising Course Ms Slade was the only Western Australian recognised by the IAA on a list, which included 56 individuals from 25 countries.

Students

ECU fashion student Vynka Topham is one of three winners of the prestigious Banshu Fashion Textile Scholarship. The Western Australia-Hyogo Banshu Fashion Textile Program, now in its fourth year, enables emerging designers to learn about fabric design and manufacturing in one of the world's most prestigious textile centres.

ECU Journalism and Broadcasting students won two of the top awards at the 2013 National Student Journalism Awards. Haley Francis won for Best Broadcast Current Affairs Story and Tasha Tania won for Best Print Story by an International Student.

"I am glad I decided to commence my studies with PIBT. I gained an insight into what to expect at ECU. PIBT lecturers were always there to give assistance when needed, and elaborated each and every point very well. **The knowledge I have gained has been very helpful in making the transition to study at ECU."**

ECU campuses

ECU has two metropolitan campuses in Mount Lawley and Joondalup, and also serves Western Australia's south-west region from a campus in Bunbury, 200km south of Perth. ECU prides itself on the industry-relevant, world-class facilities that it provides to students, allowing them to experience modern equipment in real-world environments.

Mount Lawley

Located in the trendy suburb of Mount Lawley and close to Perth Central Business District, you can't help but be inspired by the artistic vibe at the Mount Lawley Campus. Courses are offered in arts, business, communications, computing and security, creative industries and teacher education. Campus life is always buzzing, with cafés, a sport and fitness centre and a new Student Village all adding to your university experience.

The Mount Lawley Campus is home to the Western Australian Academy of Performing Arts (WAAPA), giving you the perfect opportunity to enjoy the hundreds of performances and events that they host each year. Kurongkurl Katitjin, ECU's Centre for Indigenous Australian Education Research, is also located on this campus and is an invaluable teaching and support resource for our indigenous students.

The Mount Lawley Campus boasts a large e-lab which includes PCs and a Mac computer laboratory to service the Communications and Creative Industries students.

Joondalup

The Joondalup Campus is set within beautiful surroundings and its spacious grounds provide a great place for students to study and relax. The campus is identified by its landmark architecture, from the grandness of our Chancellory building with its elaborate spires, to our vibrant, multi-hued library and the state-of-the-art Health and Wellness building. ECU Joondalup has excellent facilities for teaching and research, and offers courses in business, engineering, exercise and health sciences, law, medical sciences, natural sciences, nursing, psychology, social science, sports science and teacher education.

An extensive range of facilities, services and support are available, including a modern library with 24 hour access to the e-Lab, a medical centre, a gym, cafés and a tavern. The Joondalup Campus is part of the Joondalup Learning Precinct, which includes ECU, the Police Academy and the West Coast Institute of Training. During the summer months, it hosts the Lotterywest Festival Films at the ECU Joondalup Pines Outdoor Cinema,

where moviegoers can enjoy watching a diverse line-up of international films. The Joondalup Campus is home to exceptional, purpose-built Health and Wellness teaching and research facilities, which include self-contained simulation suites that have full video recording and interactive audio-visual technology. The brand new Engineering and Technology building on the Joondalup Campus houses state-of-the-art laboratories, research areas for staff and students, innovative student project spaces and numerous other high quality teaching spaces.

South West

Located two hours south of Perth, the South West Campus in Bunbury is the largest university campus in regional Western Australia, offering small, personalised class sizes and on-campus accommodation. Courses are offered in arts, business, nursing, science, social work and teacher education. The campus features a café, mini-gym, multi-purpose sports courts, two nursing demonstration wards, science laboratories and a library with 24 hour access to a computer lab. The Bunbury Campus is co-located with the South West Regional College of TAFE, Manea Senior College and two hospitals.
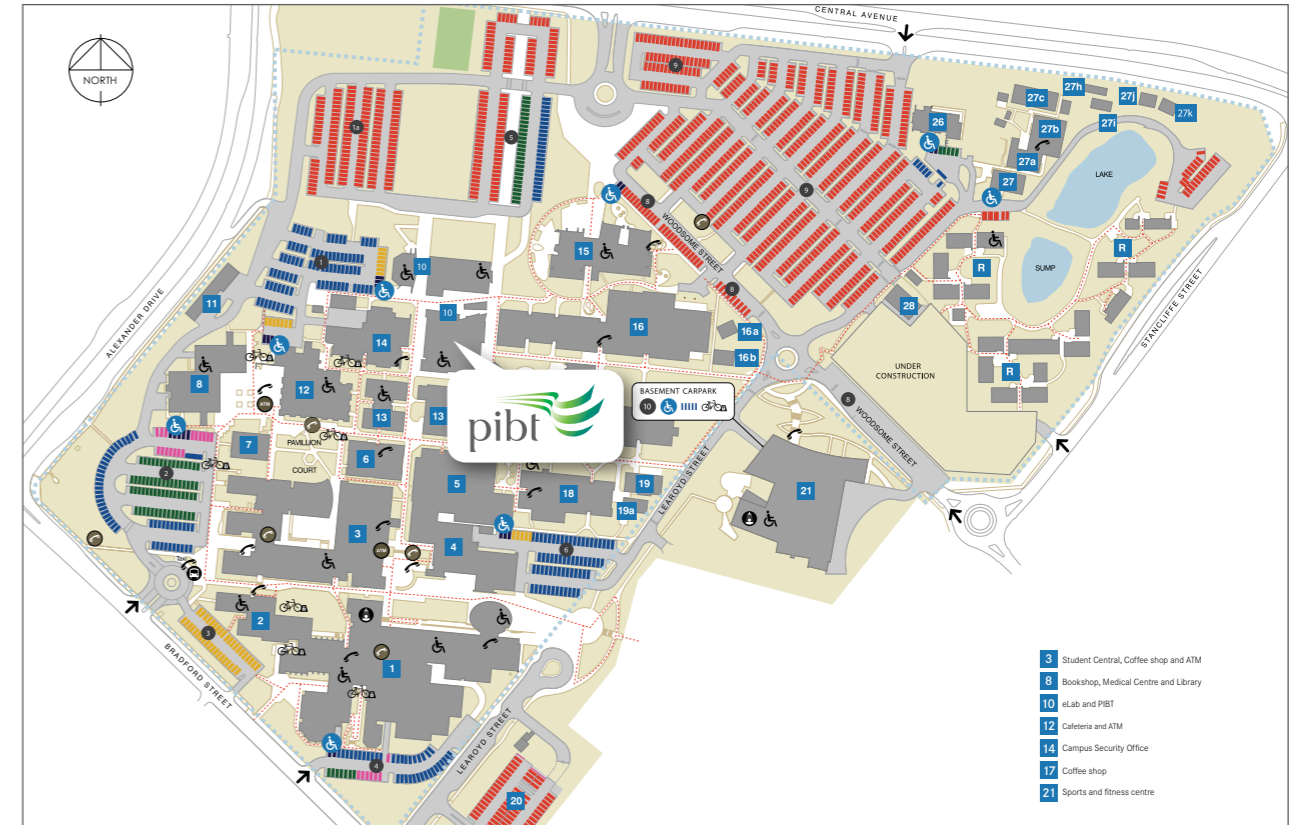

Edith Cowan University's values

At ECU there are a set of values that guide us. All members of the ECU community are encouraged to familiarise themselves with, acknowledge and adopt these values, which are:
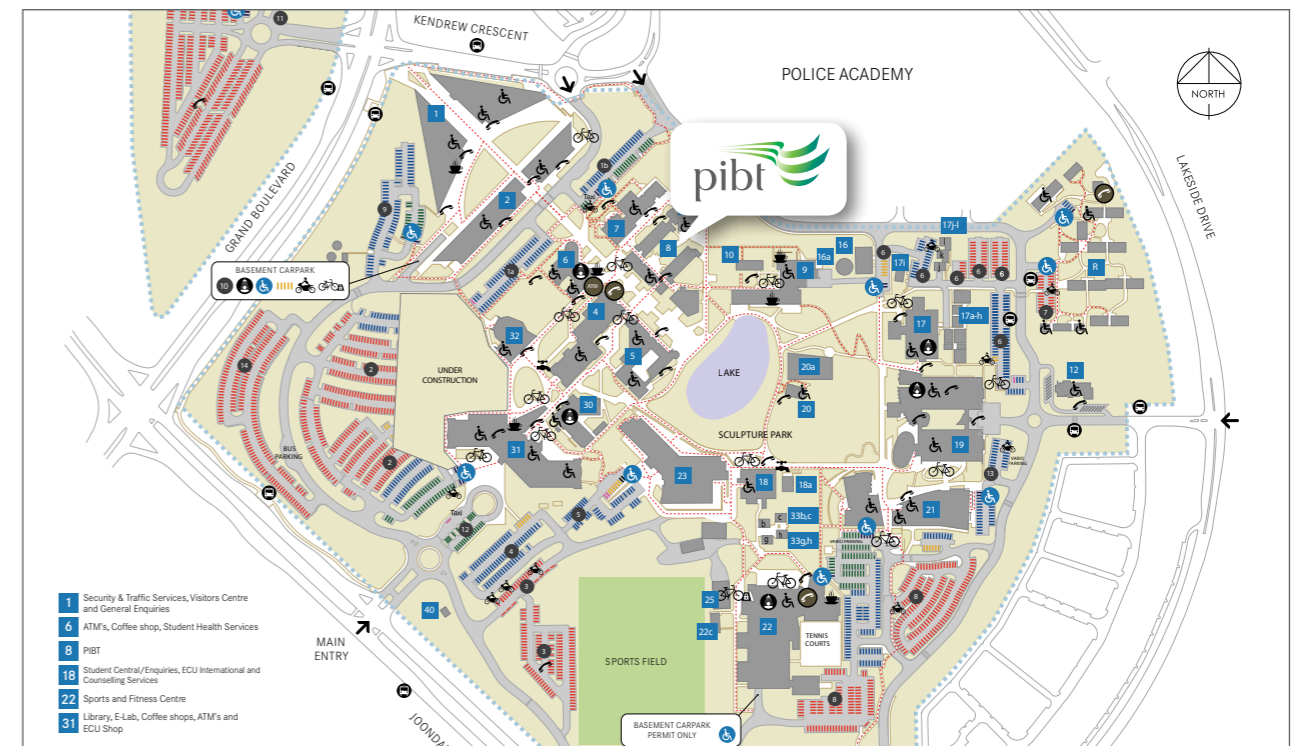

Integrity – behaving ethically and pursuing rigorous intellectual positions;

Respect – valuing individual differences and diversity;

Rational Inquiry – motivated by evidence and reasoning; and

Personal Excellence – striving to realise potential.

PIBT: this is your pathway to ECU

PIBT provides alternative pathways to ECU for students who may not qualify for direct entry to a degree program and are looking for a supportive learning environment. PIBT bridges the gap to ensure students reach their goal of being an ECU graduate.

Teaching and assessment

PIBT's units are conducted in a classroom setting during four hour teaching blocks from Monday to Saturday. The teaching times are usually 8.30am to 12.30pm or 1.15pm to 5.15pm.

Methods of assessment may differ depending on the course and subjects you choose. Most subjects will be assessed through a combination of written examinations and assignments, essays, presentations, seminars and tutorial participation. Some coursework will include group-based projects and practical activities. At the beginning of each unit, students are given an outline that includes due dates for the completion of assignments. Students who fail to meet these submission deadlines may be penalised even though the work was completed. Attending all classes is essential in order to be successful at PIBT.

Certificate IV Tertiary Preparation Program (TPP)

PIBT offers the Certificate IV Tertiary Preparation Program (TPP), a nationally recognised pre-university level course that is equivalent to Year 12 at an Australian secondary school. This program requires two or three trimesters of full-time study, and is designed to prepare students for entry into diploma programs which form part of the first year of university level education.

Tertiary Access Program (TAP)

The Tertiary Access Program (TAP) is designed to transition students who have completed Year 12 (or equivalent) but do not have the necessary academic background or grades for direct entry into the diploma course. This program consists of four modules of study in the first trimester and requires a minimum of 50 percent pass in all four modules in the first trimester to progress on to the diploma program.

Mixed English Program

The Mixed English Program (MEP) combines English language training with one or two academic units in the first trimester and is available for those students who do not quite satisfy the English language entry requirement. This will allow students to improve their English and gain academic learning skills, while being gradually introduced to academic subjects. The MEP extends programs by an additional trimester.

Diploma programs

PIBT diploma programs are equivalent to the first year of an ECU degree program. They are designed, delivered and moderated by qualified university lecturers on the ECU campus, in smaller classes with longer teaching sessions. Upon successful completion of a PIBT diploma, students are eligible for entry into the second year of the related ECU degree program.*

OVERVIEW

PIBT: this is your pathway to ECU (continued)

Since its inception in 1994 as the leading pathway option to Edith Cowan University, thousands of Australian and international students have pursued a PIBT pathway and successfully completed their bachelor degrees.

Why choose PIBT?

Gain direct entry to ECU

PIBT diploma courses are based on the first year units of the equivalent ECU bachelor's degree programs. As our diploma and advanced diploma programs are moderated by ECU, you can be confident that your course is of the highest quality.

Flexible trimester (three semester) system

Through PIBT's innovative trimester system, you can fast-track your studies and complete a course in only eight months. Part-time enrolment options are also available to Australian students.

Small class sizes and individual attention

Lecture groups have a maximum of 50 students, although most average between 25 and 35 students. Lectures are complemented by group tutorials and workshops, ensuring you receive a high level of attention from your teachers.

Longer teaching sessions

As part of our supportive approach, PIBT provides more teaching hours per unit of study than the university. Instead of the traditional three hours of teaching at university, PIBT conducts its classes in four-hour morning and afternoon sessions Monday to Saturday.

Study accredited programs

PIBT is registered by the Tertiary Education Quality and Standards Agency (TEQSA) which is Australia's regulatory and quality agency for higher education. It is also a government-approved Registered Training

Organisation (RTO) under the Australian Skills Quality Authority (ASQA) for the provision of vocational education and training courses.

Located on both ECU campuses

PIBT is located on both the Mount Lawley and Joondalup campuses of Edith Cowan University. The Mount Lawley Campus is located five kilometres from the centre of Perth, and offers programs in Business, Communications, Computing and Information Technology (IT) and Hotel Management. The Joondalup Campus is within a five minute walk from Joondalup train station, where a free bus service is also available to take you directly to the campus. Engineering and Health Studies programs are offered at the Joondalup Campus.

Progression to ECU

PIBT students who successfully finish their diploma program are eligible for entry to the second year of a relevant bachelor degree.*

Academic calendar

PIBT conducts three trimesters per calendar year, starting in February, June and October.

Year	Intake	Orientation	Trimester start date	Mid-trimester break	Trimester end date
2014	October	1 October	6 October	20 December – 4 January 2015	16 January
2015	February	10 February	16 February	3 April – 12 April	22 May
2015	June	10 June	15 June	10 August – 16 August	18 September
2015	October	6 October	12 October	21 December – 3 January 2016	22 January

*Some limitations may apply for specialist courses in the future.

Our commitment to student support

At PIBT we recognise the importance of meeting our students' personal and academic needs. To achieve this priority, we have outlined below the services and programs offered to all students.

ECU facilities and services

As a PIBT student, you will have access to the full range of ECU facilities and services. These include:

- state-of-the-art computer labs, open 24 hours a day, seven days a week
- the main campus library
- a campus medical centre
- a wide range of indoor and outdoor relaxation areas and common rooms
- a campus shop, with textbooks and stationery supplies
- food outlets such as cafeterias and alfresco coffee shops
- automatic teller machines (ATMs)
- sporting facilities
- 24 hour campus security
- public transport services
- free wireless broadband internet access
- a multi-faith chaplaincy service and a Muslim prayer room.

Orientation program

A comprehensive orientation program is provided for all new students before the start of each trimester. It includes:

- a campus tour
- meetings with staff and student leaders
- assistance with module/unit selection and course advice
- issuing of an email account and internet access via the e-lab
- transport information
- text book information
- information about OSHC membership
- participation in an Academic Advantage workshop to enhance your study skills
- information on accessing the Student Handbook and Student E-Cafe (support information) the PIBT website and student portal.

Academic support

A free Academic Development Unit (ADU) is offered each trimester for three hours each week between weeks 2 and 10 to help students improve English language and academic skills required to succeed

at university. Credit is not awarded for completion of this unit. You may choose to enrol in this unit voluntarily or enrolment may be imposed based on course of study or enrolment status.

Study assistance

Each trimester, course coordinators are available to help students who need additional English language, study or computer support while undertaking a PIBT course. Free online seminars will help you improve your study, time management, presentation and exam preparation skills. Drop-in help sessions are also available to students in course-specific disciplines.

Student portal

PIBT's student portal is an innovative web-based resource developed to assist PIBT students during their studies. It contains important information such as unit outlines, course materials, examination timetables and results, re-enrolment details, E-Café (study support resources) and student news and reminders. The PIBT student portal can be accessed at pibt.wa.edu.au.

Student well-being

Adjusting to a new environment can be a stressful experience for many students. The student counsellor is available to provide support. All discussions are kept confidential.

Our student support program links new students with senior PIBT and ECU students, who can offer advice on everyday matters about living and studying in Australia. All new students are assigned a student leader to help them during the first few weeks of their arrival.

Social activities

PIBT students are welcome to join ECU sports teams and participate in any on-campus social activities, which are a great way to meet new friends. Regular events include:

- plays and concerts
- social sports events

- excursions and adventure activities in association with CISWA (Council for International Students WA)
- Student Guild events, including barbecues and social gatherings.

Medical services

International students must purchase and maintain Overseas Student Health Cover (OSHC) while studying in Australia as a condition of their student visa. OSHC fees paid to PIBT will be transferred directly to Allianz Global Assistance, our preferred provider.

As well as ECU's on-campus medical service, international students covered by OSHC have access to 24 hour toll-free telephone emergency services, which include medical, legal and interpreting services.

OSHC does not cover any medical condition that is pre-existing before you enter Australia.

Airport pick-up and transfer

International students first arriving in Australia are met free of charge at the airport and transferred to their accommodation. Please contact your accommodation provider at least seven days before your arrival in Australia to confirm your airport pick-up and transfer. See page 25 for more information about accommodation and providers.

IELTS test centre

PIBT has been appointed as an official IELTS testing agency for Western Australia, and conducts IELTS tests on the Mount Lawley and Joondalup campuses. For more information about IELTS testing at PIBT, visit ielts.org or pibt.wa.edu.au/ielts.

Perth: a study city like no other

Perth is the vibrant capital city of Western Australia and has a population of over 1.7 million people. Perth provides a clean, safe, friendly and relaxed environment whilst also offering all the cosmopolitan attractions of a large international city. It boasts an abundance of restaurants and cafés, music and sporting venues, nightclubs and cinemas — as well as great shopping!

Perth •

Each year nearly 600,000 overseas visitors come to enjoy the city's sophisticated but relaxed and stress-free lifestyle. Perth and the surrounding region boast a strong economy with low levels of unemployment, an excellent standard of living and low crime rates compared to other Australian cities. Services and facilities in Perth are world class and its people, industries and institutions are dynamic and global in their outlook. In recognition of its wonderful lifestyle, Perth is consistently rated among the world's top ten most liveable cities.*

Every year more than 30,000 new and returning international students choose Western Australia as their study destination, and this number continues to grow. These students enjoy high quality education combined with an excellent lifestyle in a safe, healthy and fun environment.

Perth is also an easy city to get around, and has a good public transport system. Visit transperth.wa.gov.au for more information. If your home country driver's licence is in English and clearly states the type of vehicle(s) you are permitted to drive, you can use it for three months in Australia before applying for an Australian driver's licence.

Climate

Perth offers a Mediterranean-style climate with warm, dry summers (December to February) and mild winters (June to August). It is the sunniest capital city in Australia and has an average of eight hours of sunshine each day. The warm climate is perfect for many types of sporting and leisure activities, from tennis, golf, swimming and sailing to outdoor cinemas and picnic barbecues.
Things to see and do

In and around Perth

- Perth has some of the most pristine coastline in the world; in the metropolitan area alone there are over 80 kilometres of white sandy beaches with clear blue water – ideal for swimming, surfing, sailing and fishing.
- Every February the city hosts the Perth Festival, the longest running annual international multi-arts festival in the Southern Hemisphere.
- Kings Park is one of the largest inner-city parks in the world, and home to Australia's largest wildflower show and exhibition.
- With beautiful weather comes a great lifestyle, and Perth enjoys great dining and nightlife in the bars and cafes of Leederville, Mount Lawley, Fremantle, Northbridge and Subiaco.
- During the summer, locals enjoy relaxing with a picnic of great local wine and cheese at one of seven outdoor cinema complexes.

Further afield

- Rottnest Island, located 18 kilometres off the coast, is Western Australia's very own island getaway featuring picturesque scenery and some of the world's finest beaches and bays.
- World class surfing waves can be found in Western Australia's Margaret River region, which is also home to some of the world's most acclaimed wines.
- Stretching almost two kilometres out to sea, the Busselton Jetty south of Perth is the longest (and oldest) wooden jetty in the Southern Hemisphere. It is also listed as one of the top 10 dive sites in Australia.
- Just 30 minutes from Perth is the Swan Valley, Western Australia's oldest wine-growing region, the ideal destination for the gourmet traveller.

Specialised units incorporated into the Bachelor of Business degree – Business Edge program
We believe in the importance of developing your employability skills to better prepare you for your future career in the workplace. So, we introduced ECU Business Edge – a program of three units studied across the three years of the degree, covering ten vital employability skills, which are core to the Bachelor of Business degree.

Employability skills are a range of skills, behaviours and attributes, commonly referred to as generic or 'professional' skills, and are essential if you want to be 'career-ready' when you graduate.

Our teaching is student-centred and incorporates plenty of role plays, scenarios, interactive multi-media and activities to enable you to develop your employability skills by 'doing' – the effective and most enjoyable way to learn.

Business Edge units are taught in purpose-built classrooms with enhanced technology to allow you to work with your peers on real-world problems.

Business Edge programs are identified by the following symbol. ⊕

Articulation into the Bachelor of Business
Select eight units comprising one core unit and seven Business units based on your intended major(s).

Core units
- BES1500D   Foundations of Business Knowledge ⊕

Business units
- ACC1100D   Accounting
- ECF1110D   Economics
- ECF1120D   Finance
- ECF1151D   Quantitative and Statistical Techniques for Business
- LAW1100D   Legal Framework
- MAN1100D   Management
- MAN1600D   Information Systems for Business
- MKT1600D   Marketing Principles & Practices
- PAC1100D   Professional and Academic Communication

Second year of your ECU degree

Other Bachelor of Science majors are available at ECU. Credits and exemptions are assessed on a case-by-case basis.

ECU has a fixed quota for Nursing intake. Students that are not packaged with ECU risk missing out on a place in the next intake.

Additional entry requirements are below.

Australian Qualifications Framework

#Students selecting these majors will be required to present a portfolio and/or undergo an interview before progressing to their degree at ECU.
† These two units are additional units for students who have not completed the prerequisite study for Calculus I or Physics at Year 12 (or equivalent). MTH001A Advanced Maths must be completed before progression to MAT1236D Calculus 1. PHY001A Physics must be completed before progression to ENS1101D Engineering Mechanics. These units are not recognised for advanced standing at ECU and are not covered by FEE-HELP.

§ Students must have year 12 Chemistry or equivalent to enter this bachelor degree.

** To enter the Diploma of Science (Health Studies) leading to these degrees, you must have an IELTS score of 5.5 with no band less than 5.0, except for Nursing you must have an IELTS score of 6.0 with no band less than 5.5.

‡ Students progressing to ECU's Bachelor of Science (Nursing) must achieve an IELTS score of 6.5 (with no individual band less than 6.5) before entry. Additional special requirements also apply for students progressing to this degree. See page 20 for details.

†† PIBT Diploma of Science (Health Studies) students will be eligible to receive the diploma after successfully completing eight units. However, up to seven units will be credited towards an Exercise and Sports Science degree, six units will be credited towards a Nursing degree, up to six units will be credited towards a Biomedical Science degree and up to 8 units will be credited towards a Psychology degree. Students who do not receive the full 8 credits will need to complete additional units during their first year at ECU, which will usually extend the duration of their degree.

" As my brother had previously studied at PIBT, based on his experiences, I decided to study the Diploma of Business. The aspects I liked best about PIBT were the **friendly and understanding staff** and the great teaching facilities. PIBT provided me with new skills and prepared me for what to expect at ECU."

English language preparation

PIBT provides English language courses for people from non-English speaking backgrounds and direct entry pathways for international students wishing to undertake university study at ECU and elsewhere.

PIBT is renowned for its excellent teaching staff, high quality programs and outstanding facilities. Students at both campuses have access to a wide variety of student services, support and activities, with the added advantage of interaction with Australian and international students studying degree courses. The teachers at PIBT are qualified and experienced in teaching English as a second language and many have taught overseas. They use a variety of teaching methods combined with a wide range of modern materials and resources to encourage active learning.

English language programs

PIBT offers a variety of English programs from beginner to advanced levels.

These include:

• Academic English programs

• Study tour programs

• Undergraduate pathway programs: University English Bridging Course (UEBC) is for students who have met the academic entry requirements for entry into ECU undergraduate programs, but not the English language requirements

• Postgraduate pathway programs: the Direct Entry Program (DEP) is for students who have met the academic entry requirements for entry into ECU postgraduate programs, but not the English language requirements

Detailed information about PIBT's English Language courses, including course fees and enrolment dates, is available at pibt.wa.edu.au/courses.

Admission requirements

The minimum academic requirements for entry to PIBT Certificate IV and Diploma programs are outlined on pages 21-22. PIBT has established minimum academic requirements for its courses; however, each application will be assessed on its individual merits.

Not all qualifications or countries are listed, and if you have other qualifications you should attach certified transcripts to your PIBT application form. The college can make conditional offers based on forecasted or preliminary results where appropriate.

Mature-age entry

Mature-age students (aged 20 or above) may be admitted to a program without meeting the formal academic qualifications.

You will need to provide evidence of relevant work experience and other acceptable qualifications or background when submitting your application.

Credit transfer

Students with recognised tertiary studies may be eligible for Recognition of Prior Learning (RPL) (also known as exemptions).

Please provide certified copies of your academic transcript and subject syllabus. See: pibt.wa.edu.au/apply-today/exemptions

English language requirements

International students must be able to demonstrate their English language proficiency before they enter a PIBT program. (Note: IELTS is compulsory for Nursing courses). The college may also ask selected students to take the Pearson Versant Test to demonstrate their English proficiency at no extra cost. If you do not meet the English language requirements for your chosen program, you may be able to enrol in an English language program or a Mixed English Program (MEP). See the table on page 19 for more information.

Navitas bursaries and scholarships

Navitas family bursaries

Navitas offers financial support in the form of family bursaries. A bursary applies where two or more students from the same family study with a Navitas member institution.*

The bursary is equivalent to 10 percent of the tuition fee of your program of study.†

Navitas academic merit scholarships

Navitas is committed to helping you achieve your career goals by offering scholarships to outstanding students.

Each term, Navitas colleges* award two students with academic merit scholarships.

For more information, talk to an Advisor at your college about how to apply for a merit scholarship or visit individual college websites and search for 'scholarships and bursaries'.

* The Navitas family bursary and academic merit scholarships are offered to students studying at ACBT, ACN, AUSI, BCUIC, Curtin College, Curtin University Sydney, Curtin Singapore, CRIC, EIBT, EIC, Eynesbury, FIC, HIC, ICM, ICP, ICRGU, ICWS, La Trobe Melbourne, LBIC, Macquarie City Campus, MIBT, MIBT Indonesia, Navitas at UMass Boston, Navitas at UMass Dartmouth, Navitas at UMass Lowell, Navitas at WKU, Navitas at UNH, NIC, PIBT, PUIC, QIBT, SAIBT, SIBT and UCIC only.

† Certificate programs may also be known or registered as Foundation Studies or University Transfer Program Stage I. Diploma programs may also be known or registered as Undergraduate Pathway, University Transfer Program (UTP), University Transfer Program Stage II or University Pathways Program (UPP). The Navitas bursary is not applicable to any English language program or any component of an English language program offered by a Navitas member institution.

pibt.wa.edu.au/students/visas

All international students must possess a current student visa while they are studying in Australia. This information does not apply to prospective students who are Australian citizens or permanent residents of Australia. Visit pibt.wa.edu.au/students/visas for answers to these questions:

- One visa for all your studies
- How do I apply?
- What are the visa requirements?
- What are the visa conditions?
- Do I need health cover?
- How long is my visa valid for?
- How do I renew my visa?
- Can I work in Australia while on a student visa?
- What if I have dependants?

Enrolment Terms of Offer:
pibt.wa.edu.au/policies

To view PIBT's Enrolment Terms of Offer (International Students) and Enrolment Terms of Offer (Local Students) please visit pibt.wa.edu.au/policies. This document is also sent out with all Letters of Offer. Important information outlined in these documents include:

- The Agreement
- Fees
- Visa Conditions
- Privacy of Information
- Refund policy

How to apply:
pibt.wa.edu.au/apply-today/howtoapply

You may apply to PIBT directly or through a PIBT representative in your home country.

For a list of authorised PIBT representatives in your country, visit pibt.wa.edu.au/pibt-representatives. Early application and payment will secure your place in your chosen course and allow you enough time to obtain a student visa. Visit pibt.wa.edu.au/apply-today/howtoapply for answers to these questions:

- Application process
- What happens next?
- Payment
- FEE-HELP
- Can I apply for Recognition of Prior Learning (RPL)
- When do I apply for a visa?

Accommodation options:
pibt.wa.edu.au/students/accommodation

There are several accommodation options available while you study at PIBT. You should start planning your accommodation at least six to eight weeks before arriving in Australia. Complete all required applications in full, as this will help you find the best accommodation and ensure you have airport pick-up to suit your needs. Accommodation options include:

- Options if you are under 18 years of age
- ECU on-campus accommodation
- Homestay providers
- Off-campus accommodation
- Temporary accommodation
- Airport reception

Cost of living:
Your budget for living expenses will depend on the type of lifestyle and accommodation you choose. To cover weekly expenses, a single student needs a minimum of A$18,610 each year to cover living costs.

For more information visit pibt.wa.edu.au/students/accommodation or studyinaustralia.gov.au and follow the links to live in Australia_living costs.

FEE-HELP Important information for Australian students

FEE-HELP is an Australian Government loan scheme for eligible, full-fee-paying students to help pay all or part of their tuition fees. The scheme is open to any student who is an Australian citizen and is studying with an eligible higher-education provider such as PIBT.

A student may pay a maximum of $96,000 (indexed at 1 January each year) in tuition fees using FEE-HELP over their lifetime, depending on the courses they undertake. Students repay their loan through the tax system once their income is above the minimum threshold for compulsory repayment.

If you are eligible for FEE-HELP you will receive a 'Request for FEE-HELP assistance' form with your letter of offer. To guarantee your place at PIBT, you will need to complete and return this form to PIBT before your course commences.

Note: FEE-HELP is only available to eligible PIBT students who are enrolling in diploma programs. For more information, contact us at info@pibt.wa.edu.au or visit studyassist.gov.au and follow the links.

Declaration

I declare the information I have supplied on this form is, to the best of my understanding and belief, complete and correct. I understand that giving false or incomplete information may lead to my application being refused or my enrolment cancelled. I have read and understood the relevant program information in this brochure and/or on the PIBT website and I have sufficient information about PIBT to enrol. I understand that the pathway may lead to future studies at ECU, subject to ECU's entry requirements. I understand that PIBT fees may increase. I accept liability for payment of all fees as explained in the PIBT brochure, and I agree to abide by the Refund policy as outlined in pibt.wa.edu.au/policies. I have read the information about living expenses on page 26 and I understand that living expenses in Australia may be higher than in my own country. I confirm that I am able to meet these expenses. I have understood and I accept the Enrolment Terms of Offer at pibt.wa.edu.au/policies. I understand that PIBT may, by written notice, vary its conditions as may be necessary to comply with any law or regulation, or amendment of any law or regulation, of the Commonwealth of Australia or the State of Western Australia.I give permission for PIBT and ECU to obtain official records from an educational institution attended by me, and to supply my contact details and any relevant official records to educational institutions I am eligible to gain admission to. I authorise PIBT to provide my personal information, including my contact details and enrolment details, to third parties in accordance with PIBT's Privacy policy. These third parties include PIBT representatives (agents) acting on my behalf; ECU (to facilitate progression from PIBT to the next stage of my studies); and Navitas Limited and its affiliates (to communicate regarding pathways and services offered by Navitas Limited and its related companies.

International students only: I understand that it is my responsibility to maintain valid Overseas Student Health Cover (OSHC). I also understand that if I am no longer enrolled at PIBT, my OSHC membership can be transferred. I understand that if I have applied through an approved PIBT/ECU agent, all correspondence relating to my application will be forwarded to that agent. In the circumstances of any suspected breach of my student visa conditions, I authorise PIBT to provide my personal information, including my contact details and enrolment details, to the Australian Government's designated authorities, the Tuition Assurance Scheme and the ESOS Assurance Fund Manager.

Protection: I give permission for PIBT to obtain records and information from my current OSHC provider (if applicable). I also agree that PIBT is able to exchange information with my OSHC provider with respect to meeting my visa requirements and maintaining my OSHC cover.

I understand that any conditions concerning an offer of admission will be contained in my letter of offer from PIBT, which I will be required to read and sign.
